

At the San Jose confluence of two rivers the world connects:  
Nature & humanity, space & time, history & future

Innovative physics expertise is unique to Silicon Valley. The San Jose Educational Science Landmark distinctly showcasing 'Quantum Theory', 'Quantum Foam', 'Dark Matter' is a design statement that defines and connects its people:

Designed as a '*Theatrum* of Everything' within the '*Groves of Academe*' Garden future day & night activity potential is extraordinary. Communicating Quantum Physics and its use in daily life to visitors the monument is fueling the imagination of the world as the global center of innovation and technology
