

Project Statement

Objectives:

- Create a Landmark by building a Structure in the form of Sculpture.
- Propose a Gift. A contribution to the City.
- Improve Park circulation by moving across the Rivers.
- Create a Place. A meeting Place.
- Bridge the past, present and future through symbolism.
- Activate the Landscape by creating many new vantage points and a circulation Hub.
- Protect the Landscape by spanning the Riparian Zone.
- Enhance the Landscape by adding a beautiful sculptural form for day and for night.
- Be Brave.

ESPLANADE:

A long, open, level area, typically beside the Sea, along which People may Walk for pleasure.
