

Oasius: Set in a nature sanctuary, we offer a fabulously engaging destination of striking architecture with thriving activity. The site will be famed for a globe in “Adam’s Hand” suspended from a 200ft high “Skyway” on four towers,

.... And in addition, theater, interactive sculpture, wildlife pond, ice-skating, water park, museums and more!

The ring motif also symbolizes a richer, balanced, more equitable lifestyle of Kate Raworth: society constrained, but, flourishing in her conceptual “green donut ring”.

We can exploit resources for our greatest dreams, (with societal inclusiveness), but accept evidence-based limits and thus, safeguard our planet’s future success.
