

# EXPLORE

The ENCHANTED MOUNTAIN, is covered with abundant VEGETATION. It operates as a soundwall, and creates an OASIS in the urban landscape. It offers PATHS to the top, leading to STUNNING VIEW POINTS. An UNDERGROUND GALLERY features a MUSEUM and an EXHIBITION SPACE for contemporary sound and light INSTALLATIONS.

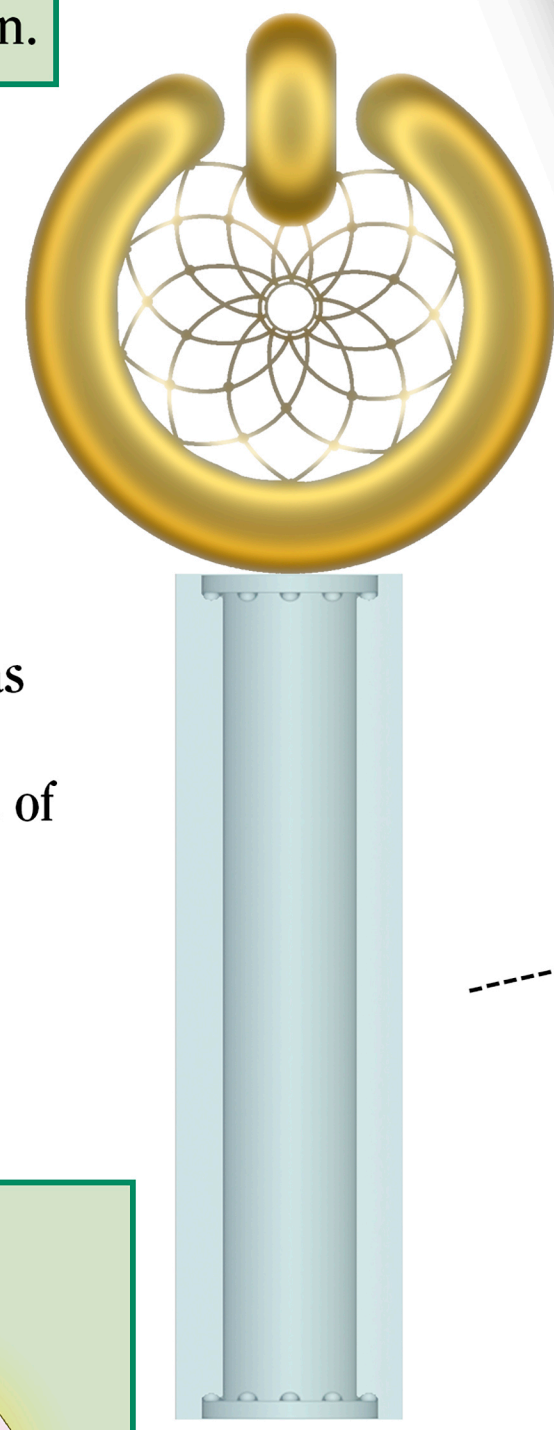

# WATERFALL

An INDOOR and an OUTDOOR WATERFALL, symbolizing the origin of water, can be experienced throughout the mountain.

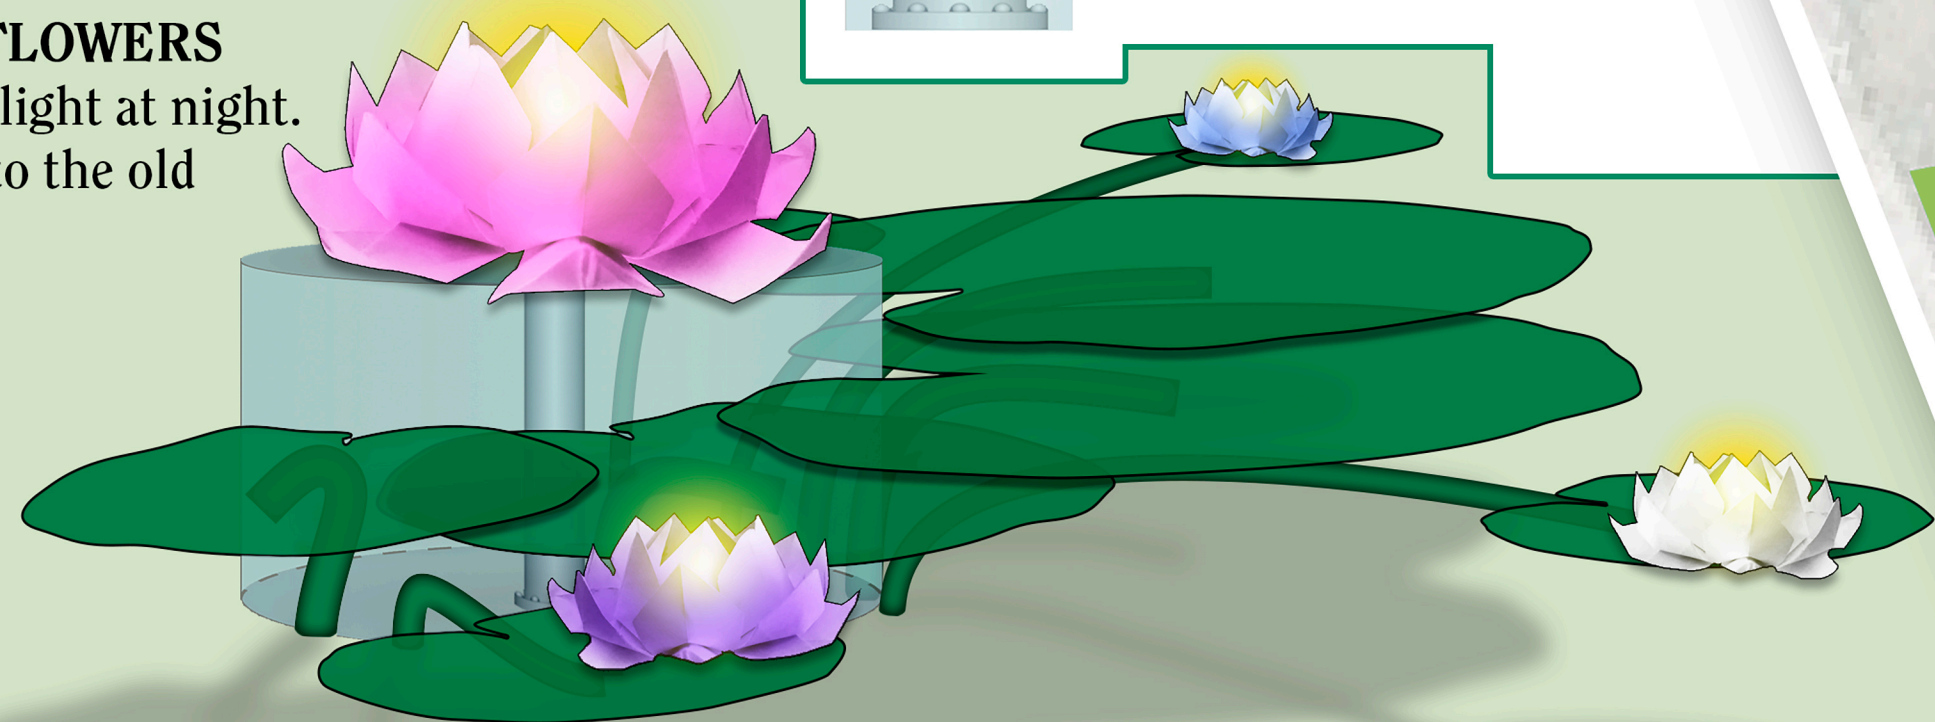

# CONFLUENCE POINT: THE GOLDEN IDEA CATCHER INNOVATE

The GOLDEN IDEA CATCHER stands at the CONFLUENCE POINT. The ROTATING Dream Catcher shaped as a "POWER ON" ICON follows the SUN. It SPARKLES when visitors pass in front of MOTION CAPTORS hidden on site. It GLOWS AND SPARKLES brightly at 10 PM EVERY NIGHT, releasing the CREATIVE ENERGY that has been gathered during the day.

# LIGHTS

The LOTUS FLOWERS provide a soft light at night. A TRIBUTE to the old Light Tower.

# CUISINE

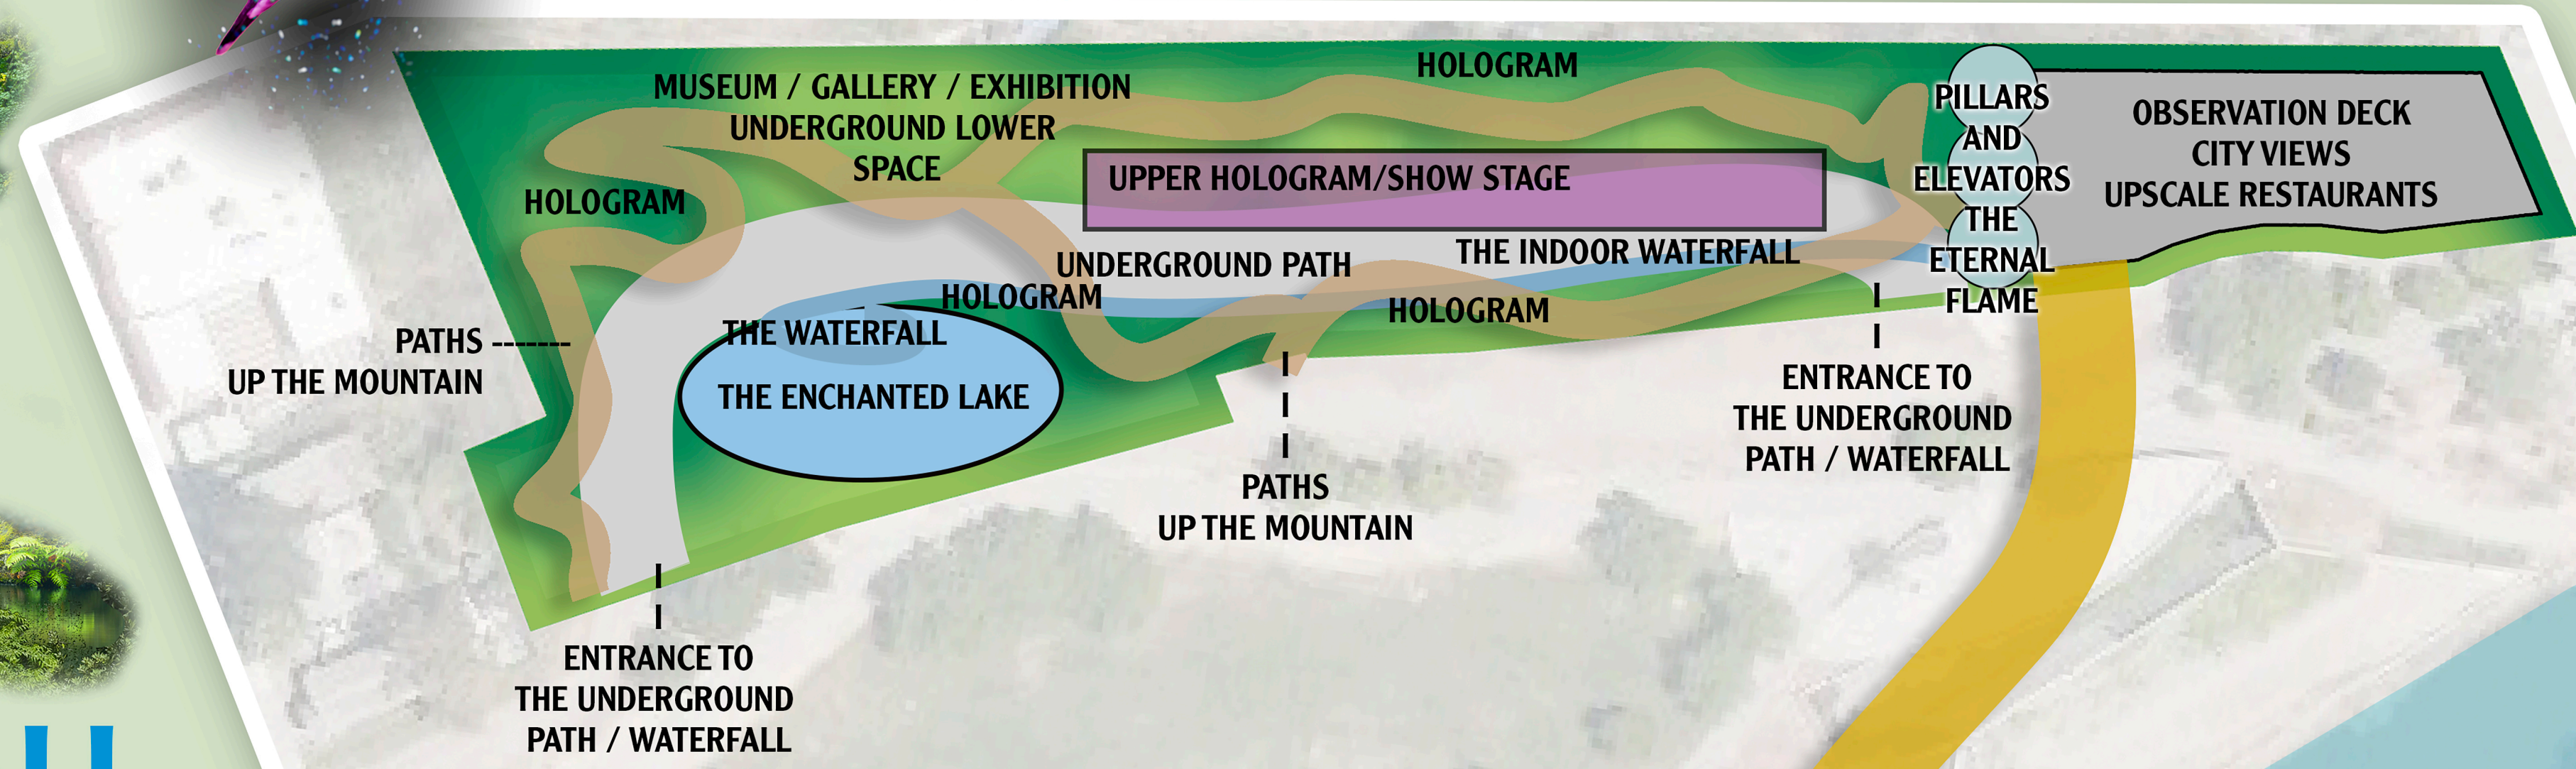

The LOTUS GLASS TOWER hosts:  
 - an INTERNATIONAL CUISINE vendor court,  
 - a ROTATING UPPER TOWER offering STUNNING VIEWS,  
 - elevators and facilities for easy access.

# ARCHITECTURE

A sense of ABOVE and UNDER WATER spaces is created by the LOTUS LEAVES.  
 - ABOVE: the leaves are a set of TERRACES, offering STUNNING VIEWS, connecting to the East side through the BRIDGE.  
 - UNDER WATER: the leaves create shade over the GARDEN underneath, and offer a NEW PERSPECTIVE.

# HOLOGRAMS

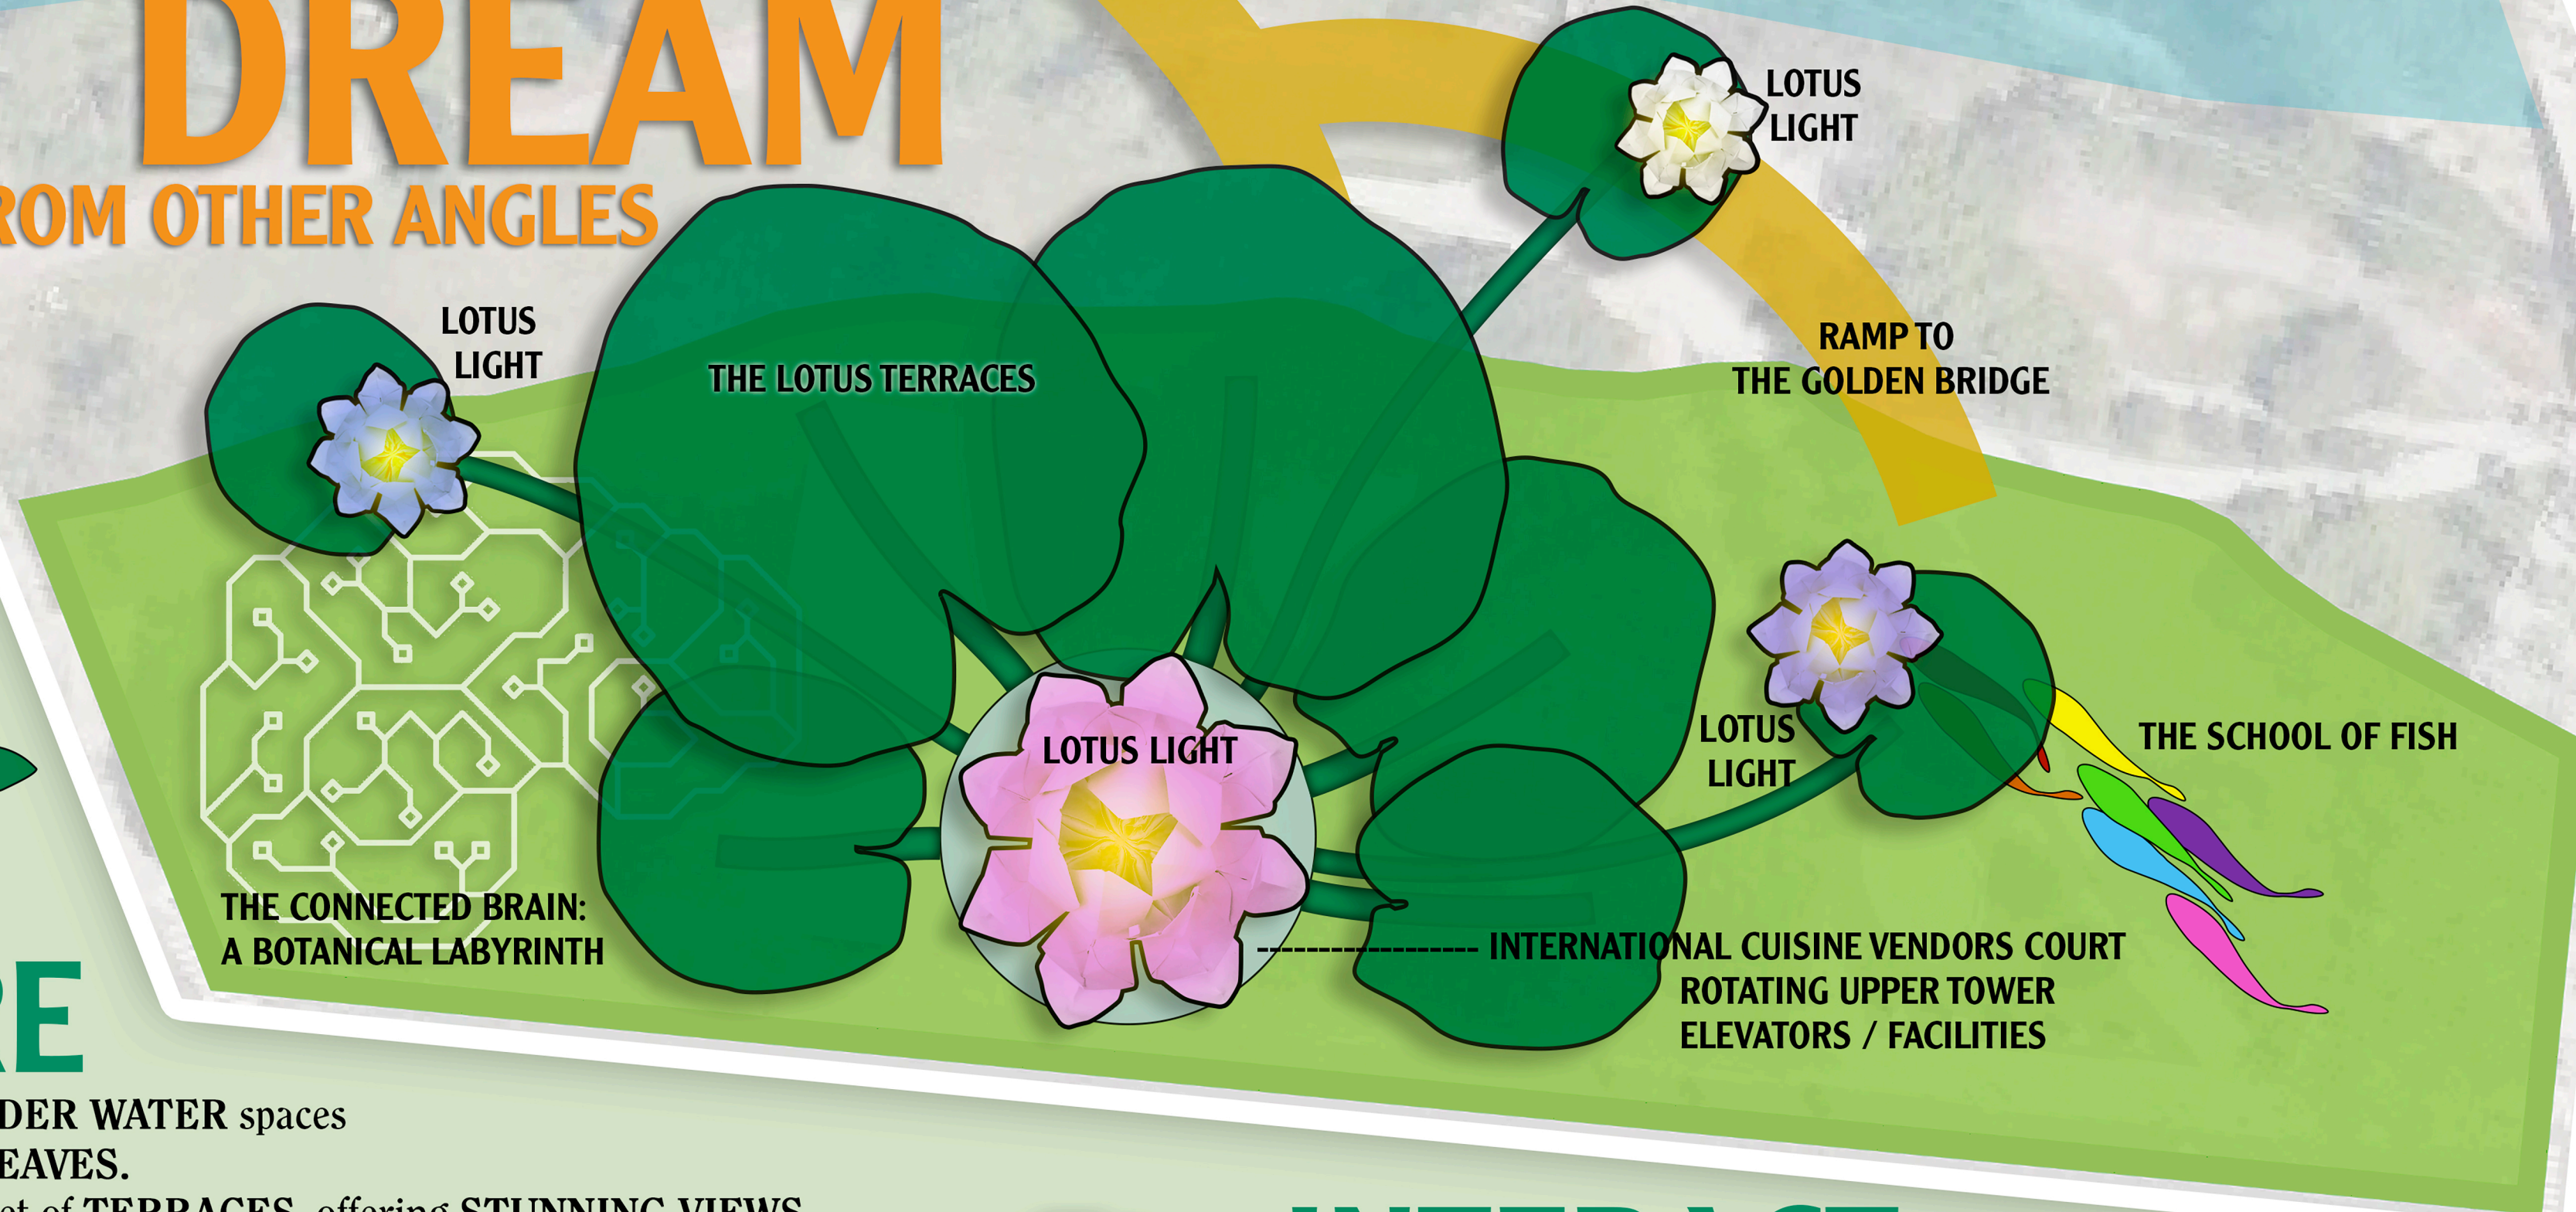

HOLOGRAMS, are randomly displayed all over the mountain for a MAGIC effect. A SHOW STAGE is available.

# BELIEVE IN MAGIC INSPIRATION

# CONNECT THE FLOWS OF IDEAS

# DREAM FROM OTHER ANGLES

# INTERACT

The CONNECTED BRAIN is a playful botanical labyrinth / maze that offers INTERACTION WITH NATURE. Suitable for all ages.

A MODERN STRUCTURE, offers CITY VIEWS from its OBSERVATION DESK, and features BARS and UPSCALE RESTAURANTS.

WHERE TECHNOLOGY MEETS ART & NATURE

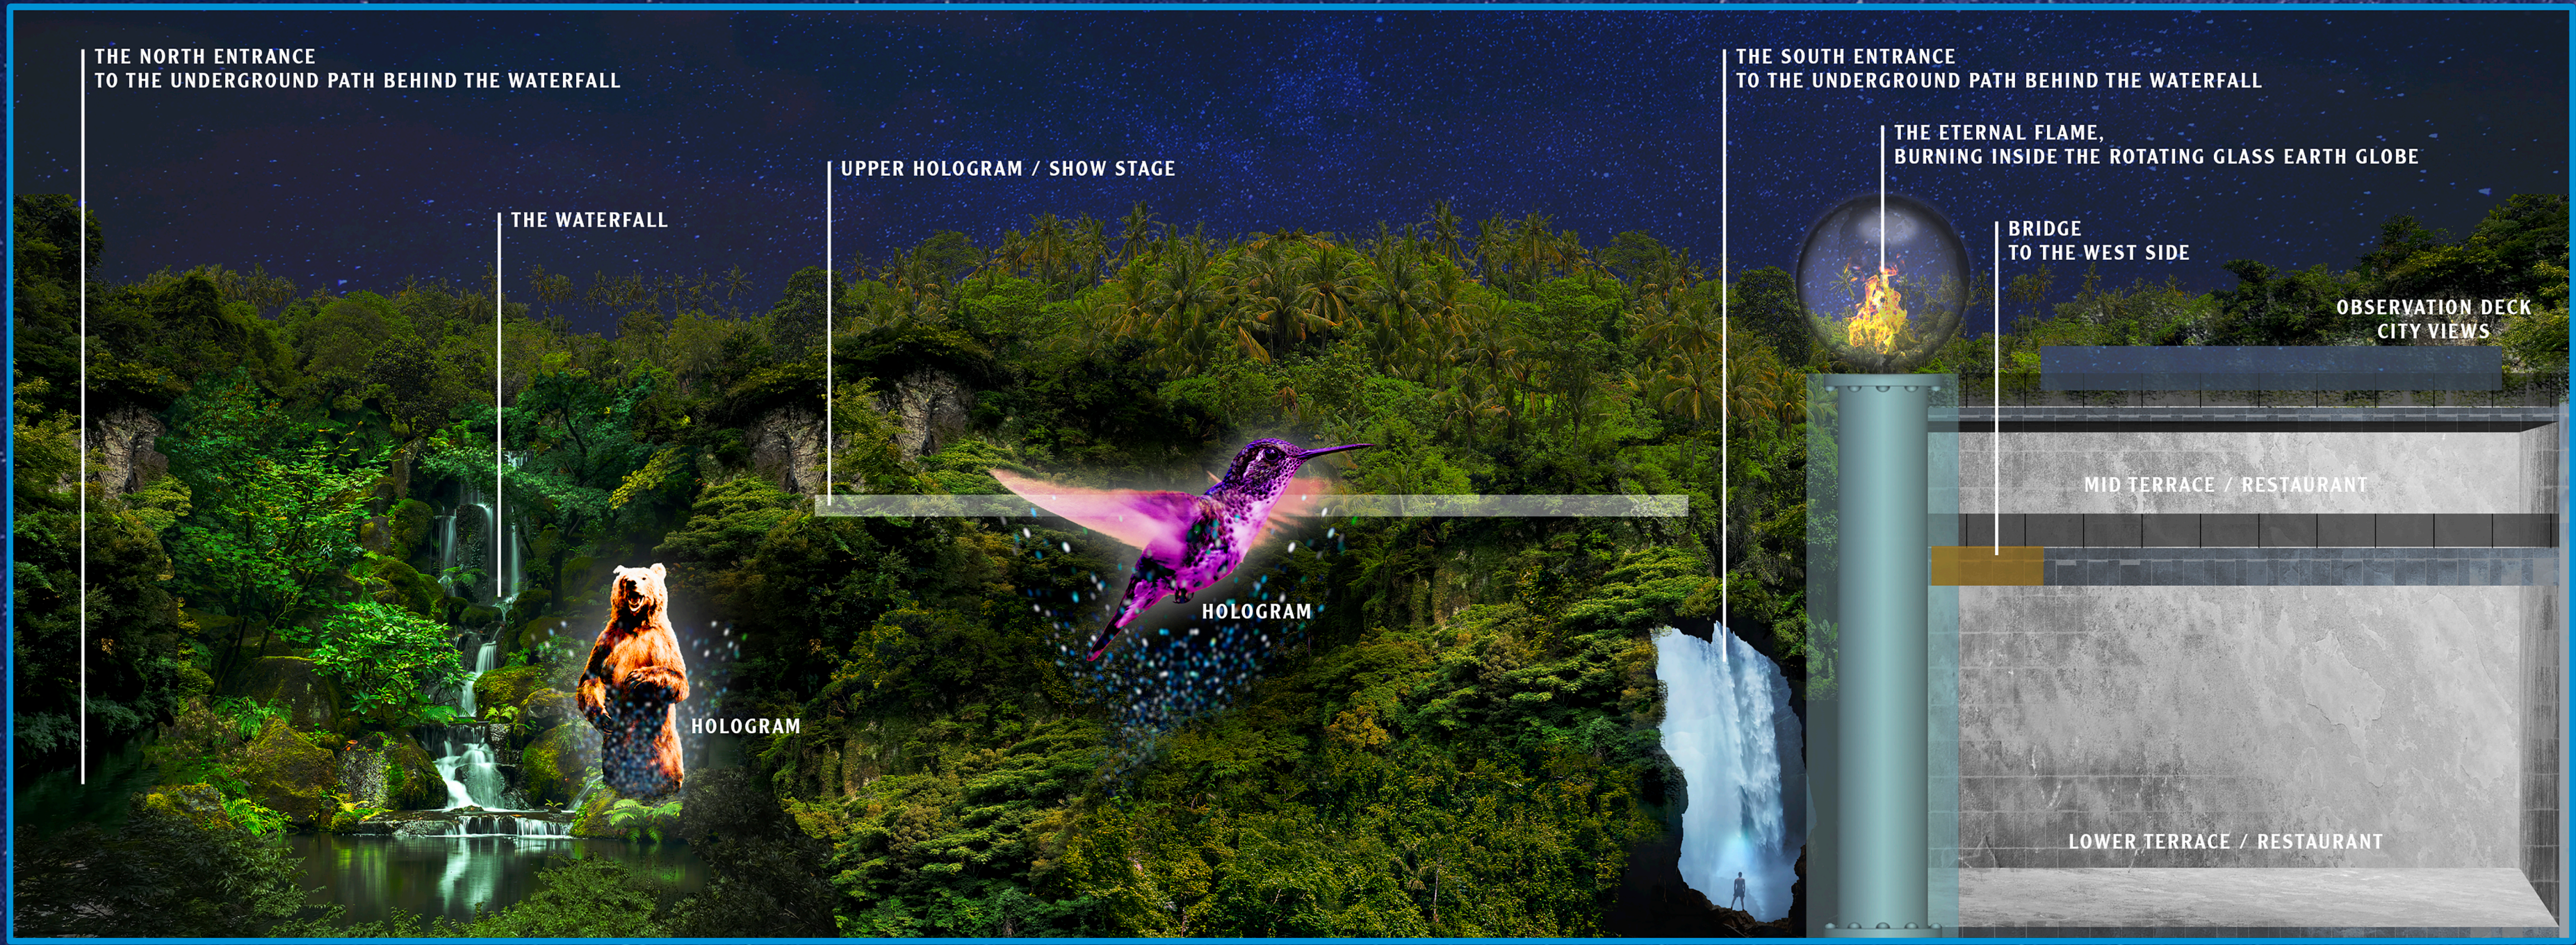

# WEST SIDE: THE LOTUS

# ART

The SCHOOL OF FISH is a sculpture that conveys the idea of the UNDERWATER space. 7 Salmon/Trouts swim under the Lotus Leaves.  
 - they have different textures, for a TACTILE experience,  
 - they have different colors, to promote DIVERSITY.
