

## ARENA GREEN

Where Technology meets Art & Nature.

— — —

Immerse yourself in the flow of water, from a waterfall to an “underwater” garden.

Witness the creative input we get from each others.

Enjoy the magic of light and holograms.

Discover stunning views of the cityscape.

Venture behind a waterfall to a museum and a contemporary exhibition space.

Hover over Los Gatos Creek and Guadalupe River, and reset your senses.

Get to know a school of fish that promotes diversity.

Challenge your brain in the botanical labyrinth.

Discover International Cuisine.

— — —

Leave inspired, empowered, and...come back for more!
