

LVD Community Education Assistance Fund Technology/School Supplies Application

PROGRAM DETAILS AND REQUIREMENTS

The Tribe received a funding allocation under the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") to address unforeseen financial needs and risks created by the COVID-19 pandemic. One allowable use of CARES Act Title V funds is education assistance to individuals and families impacted by the changes to systems of education to ensure safety of students, teachers and parents through implementation of virtual learning. On August 14, 2020, the Tribe authorized the LVD Community Education Assistance Fund ("Fund") to ensure that Tribal Member children receive necessary assistance to ensure that Tribal member children as well as the Watersmeet School District have the resources necessary to succeed in a virtual learning environment in the face of this national pandemic.

Note: With the exception of chromebooks (Grades 1-12) and tablets (Grade K) for all Watersmeet school children and hotspots for families living on the LVD Reservation and certain supplies purchased directly for the Watersmeet Public School, this is a reimbursement based program for Tribal Members only unless otherwise approved by the Education Director or Tribal Treasurer. The application must be filled out completely with receipts turned in to receive payment under the Fund. Funds are available for expenses incurred between March 1 – December 30, 2020.

If you need assistance completing the application, please contact the LVD Education Department at 906-358-4041 or the LVD Tribal Offices at 906-358-4577.
