

# The Digital Growth Platform

for FIs and fintechs

## Easy Implementation

- Nimble, cloud-based solution—no install!
- Live in a matter of days—not months
- Intuitive admin tools (admin & authors master the system in a snap!)
- Unique learning experience drives rapid learner adoption

## Simple Learning Management

- Configure individual or group learning paths
- Skills engine
- Certifications module
- Leaderboards
- Contests

## Rapid Authoring

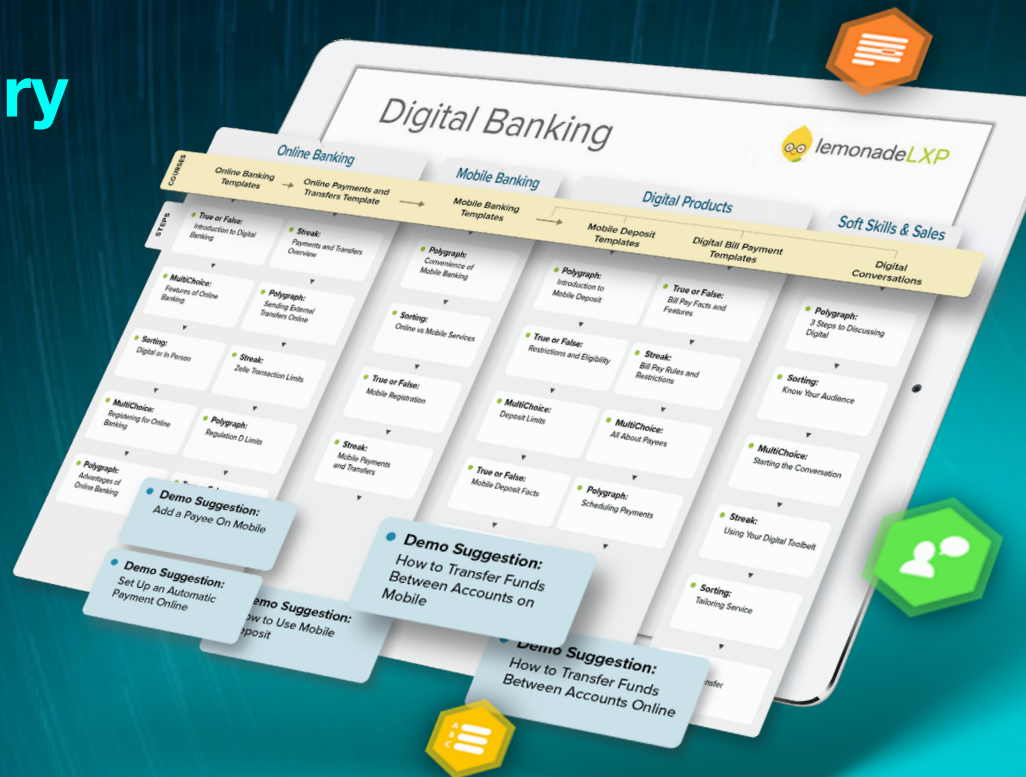

Author engaging training experiences in minutes

- Technology walkthroughs
- Game-based microlearning
- Role play scenarios
- Coaching & mentoring
- Curate content

## Ready-Made Content Library

Roll out training faster with LemonadeLXP's Content Exchange

- Snag ready-made modules from the Exchange
- Tweak 'em, or use 'em as is
- Use prebuilt curriculums to assemble modules into courses

## Surgical Analytics

- Easily spot superstars and slackers
- Track skill and knowledge growth
- Identify individual & organizational knowledge gaps
- Measure content effectiveness

“

Great system. It's very easy to use. My training team has been building content in Lemonade for a while now, and it's one of the most user-friendly platforms we have for content creation.

”

- Kendall,  
Training Supervisor
