

# Move your business forward. No matter where it takes you.

## A Better Way to Work On the Go

Introducing the ideal business mobility solution. The Samsung Galaxy Tab A tablet offers a stunning 8.4" immersive display in a sleek, compact and lightweight form factor. A long-lasting battery and expandable memory make it ideal for long days out of the office, while Samsung Knox defense-grade security protects all your sensitive data. Knox also provides complete end-to-end device management, while a host of third-party hardware and software solutions make the Galaxy Tab A the ideal tool to enhance your specific workflow.

## Key Features

### Work On the Go

- LTE connectivity (T-Mobile),<sup>1</sup> Wi-Fi 802.11 ac 2.4G+5GHz and Bluetooth 5.0 keep you always connected and always working
- With a slim and light 8.4" form factor, it's made for working on the go
- The immersive 1920 x 1200 WUXGA display lets you view documents with clarity

### Streamline Workflow

- A long-lasting battery of up to 10 hours<sup>2</sup> gives more go with less charge
- Store more with 32GB<sup>3</sup> built-in memory, expandable to an additional 512GB<sup>4</sup>
- Easily mirror content from the Galaxy Tab A to a TV with Smart View, for seamless, wireless presentations<sup>5</sup>
- The enhanced 8MP rear camera<sup>6</sup> with autofocus enables clear, sharp documentation, while the front-facing 5MP camera makes video conferencing easy

### Enjoy Security, Compliancy and Customization

- Protect sensitive data with the Samsung Knox defense-grade security platform<sup>7</sup>
- Samsung Knox IT solutions provide secure end-to-end solutions, including device management, cloud-based configuration and deployment, mass enrollment and more
- A comprehensive third-party partner ecosystem allows you to customize the Galaxy Tab A to be configured for your specific use and tasks<sup>8</sup>

# Galaxy Tab A 8.4" T-Mobile

Model	Galaxy Tab A 8.4" T-Mobile
Part Number	SM-T307UZNATMO
