The R.N.A Radical Anti-Ageing & Lifting Duo Moisturiser is one of the most radical way to combat ageing. This day and night formula works to reduce the appearance of fine lines and wrinkles for a youthful complexion

### The Science:

This Duo Moisturiser combines signature ingredients including the revolutionary R.N.A. and Glycolic Acid among many incredible ingredients.

R.N.A. helps your skin radically combat the signs of ageing including wrinkles, sagging skin and brown spots leaving skin visibly firmer and healthier, whilst Glycolic Acid aims to penetrate the skin deeply boosting its firmness whilst contributing to smooth fine lines and wrinkles, to treat blackheads, dullness, and oiliness for a youthful appearance.

### Benefits:

- Helps smoothen fine lines and wrinkles
- Aims to mattify complexion
- Contributes to firm skin
- Aims to intensively hydrate

**#AvantTips:** When applying your moisturiser, try to adopt a 'dab and tap' rhythm. Patting your face softly will stimulate the circulation, wake up the complexion and can work to flush out that any toxins that have built up in your lymph nodes.

12 months PAO

Store in a cool and dry place.

### A True Beauty Ritual:

1. The jaw - Apply the moisturiser, working from the chin towards the earlobes.
2. The cheeks - Smooth from nose to temples.
3. The forehead - Massage, making smoothing movements from the centre of the face outwards.
4. The final touch - Massage, making circular movements from eyebrows to nose.

Combine with a eye serum or cream for a complete routine.
