TIMBER ARCTIC

Arctic conditions don't have to mean compromising on style. The Timber Arctic employs a Merino wool lining to regulate temperature and wick away moisture, and a SplashTEX® internal waterproof membrane and water-resistant quickdry leather to keep little feet dry. I-Walk and Kid+ styles now feature two hook-and-loop straps for extra adjustability and comfort.

TAHOE ARCTIC

This understated winter boot is designed for everyday wear in chilly climates. With an outer zipper as well as a side gusset, SplashTEX® internal waterproof membrane and water-resistant quickdry leather, this style is adjustable to suit wintry clothing. The unisex Tahoe Arctic boot is lined with Merino wool that naturally regulates temperature and wicks away moisture, and is topped with lambskin for extra fluff and comfort around the ankle.

MARVEL ARCTIC

The wool-lined version of the luxe Marvel Xplorer. Crafted from ultra soft, vintage-look leather, the Marvel Arctic features a wider strap fastening for a more secure fit, and a naturally scuff-resistant suede toe-cap. The Merino wool lining keeps cruisers' toes cosy and healthy in cold weather. This season, the Marvel is updated with a sophisticated Sand colour sole unit.
