

High Chair Play

For Ages: Infant & Toddler

The high chair is a perfect place for your baby to spend a bit of time while learning, exploring, and most importantly having a great time! If you don't have a high chair you can always prop up your baby with a boppy or pillow and use a tray as the surface.

Materials You'll Need

- Favorite teething toys frozen overnight
- A bin
- Small amount of water

Directions

1. Put a little bit of water in a bin with the teething toys
2. Have your baby explore them while sitting in the high chair
