

# Discovering LITERACY

Recognising letters and understanding how letters make words as well as recognizing sounds, developing writing skills and learning about books and storytelling are all valuable early literacy experiences.

## EXPERIENCE

The first letter of MY name

Together with your child search for things in your home. Search for things that start with the same letter as your child's name. "Mia, lets find things that start with M" e.g. Magazine, Mum, Movie, Muffin, Magnet, Mushroom, Machine, Mail, Mat, Mask etc Sounding out the first sound of your child's name can support them to locate objects.

Age Group

**4-5  
YEARS**

## LEARNING

How is this supporting MY child's learning?

This experience is a fun personal way to explore letters, and sounds and applying this knowledge to find and label other objects which begin with the same letter and sound as your child's name.

## RESOURCES

What do I need?

No resources are required for this experience. You could however choose to write the letter of your child's first name to support letter recognition.
