

CHAPTERS

At Chapter Relations, we are responsible for uniting, strengthening, and expanding the START Network. Currently, nine chapters spread all over Europe are representing the START brand through their own events, projects, and a like-minded community. These are located in Helsinki, Berlin, Vaduz, Warsaw, Lausanne, Munich, Nuremberg, and Stuttgart.

We are looking forward to someone motivated to work with our team. You will work on expanding the START Network and bringing it even closer! You will get to work with an international team with a variety of tasks and projects. Join the team to grow and strengthen not only the START Network but also your own!
