Content

The Content Team is the driving force behind all inspiring speakers START Summit has to offer. The team plans the general topic outline of the event during summer and then breaks it down into all subtopics of panel discussions, talks and think tanks during the event. You will reach out to and work closely with the most interesting people from the startup and investor community across the world, like Tony Fadell (inventor of the iPod), Matt Cohler (Founding Team Facebook), Ann-Kristin Achleitner (Multi-Board Member) and Ola Källenius (Chairman Daimler).

Your Mission

You will shape the general topic outline of START Summit 2022 and then reach out to various potential speakers to inspire them to join the event. Further in the process, you will manage all of your own contacts, work out their Summit experience with them and make them happy. Your responsibilities will involve all communication from the first step and detailed organization of the speakers' involvement in the event. Therefore, you are going to be a big part of the START Summit strategy as well as get all of the insights into the entire team.
