

EVENT MANAGEMENT

Event management is the application of project management to the creation and development of events. The team is responsible for having an overview of all the projects at START Global. We help organise all the details behind the scenes and make sure that everything runs smoothly. Our main task is to recruit supporters and guide them as they support us throughout the Summit & Hack.

Your Mission

- Learn about START Global's projects i.e. Fellowship, ROSE, Hack, Network
- Work closely together with the other teams and get to know their offline events as well as
- execute their plans and ideas
- Be organised and reliable

Your Benefits

- Work together with the entire START team
- Learn to be more outgoing with people you haven't met
- Create contacts outside of University in various different industries
- Profit from an amazing network with interesting partners

Your Skills

- You have excellent German & English skills both written and spoken
- You can effectively communicate with internal and external parties
- You enjoy working in a team
