

START
GLOBAL

FINANCE & LEGAL

The Finance and Legal team is an essential department that ensures the financial security of START. You will be responsible for financial accounting (professional accounting system) and controlling, contract creation with the Corporate Partnerships team and also act as general advisor for potential legal issues. You will be responsible for our bank accounts, payment flow and organization of the budget within our organization.

Your Mission

- Accounting, controlling and budgeting
- Contact with commercial register and Federal Tax Administration
- Working out contracts with our corporate partners
- Legal advisory of START Global

Your Benefits

- Get a first-hand look as CFO into the inner financial workings of Europe's largest student-run conference.
- Learn how to carefully and precisely prepare budgets, financial statements and controlling matrixes.
- Support the team with legal expertise and watch the implementation of your efforts in the organization.
