# TALENT DEVELOPEMENT

Our mission is to provide a catalyst for START Global, both on a team and individual level, to grow into its fullest potential in the future. This involves larger team events (e.g. retreat), which have the purpose of developing personal skills and optimal collaboration within the team. Furthermore, we are responsible for providing necessary and meaningful workshops, a mentoring program for all teamies, and to leverage our START alumni network. To ensure a continuation of START as an inspiring organization, we have to recruit the members of best fit for the future team. Realizing the impact team culture has on the success of START Global, it is highly important for us to understand the experience we are providing to each and every member.
