STUDENT RELATIONS

As a member of the Student Relations team you will be responsible for inspiring young entrepreneurial talents to join START Summit 2022. This includes carefully selecting and contacting a variety of promising european students and universities as well as shaping their Summit experience by creating formats to fulfil their needs and provide them with networking opportunities.

Your Mission

Your two main objectives will be to (1) reach out to universities in order to create long-lasting partnerships and strengthen the relationship between START Global and other entrepreneurial clubs across Europe as well as to (2) identify and reach out to young entrepreneurial talents and students to motivate them to join the START Summit 2021. It will then be up to you to create their ideal Summit experience by designing and implementing formats such as speed dating, workshops and side events to boost them on their next career step.

Your Skills

- You have a profound interest in community building to identify the most promising talents from all over the world
 - You are proactive with an open-minded, communicative, extroverted & self-confident personality
 - You are well organised, reliable and creative with an urge to initiate new ideas
 - You can work under pressure and love working towards ambitious goals
 - You have intrapersonal skills and the ability to inspire people
- Excellent German & English both written and spoken

Your Benefits

- Gain a deep knowledge of the european startup ecosystem and the important players
- Build a network of entrepreneurial talents across Europe
- Master important communication skills that will boost you throughout your professional career
- Gain a deep knowledge about sales processes via professional trainings
- Shape the START Summit experience
- Be part of the dynamic, super-motivated and driven START Global Team
