

Keeping Safe Children's Ministry

SAFETY

- Implement temperature checks at the door for all staff and children. If a staff member or child presents with a fever of 100.4 or higher, they will not be allowed to stay.
- Suspend self-check-in in favor of Assisted Check-In. Please come to the check-in desk, 1 family at a time, to get your nametags!

SOCIAL DISTANCING

- Create one-way hallways. Please follow posted signs and directions. Please use common sense with spacing in hallways and lines.
- Carpet squares for K-2nd kids to encourage distanced seating
- Split K-2nd in half, boys go to K-2nd Room and girls go to The Edge Room
- The Edge will resume in August. Until then, 3rd-5th graders will attend the worship service.
- Children 4 and up will receive individual craft packets and can take home their own crayons.

SANITIZATION

- Sanitizing Station will be available in Children's Ministry lobby
- Our staff will clean high-touch surfaces before, during, and after each service
