

**A Bruised Reed: Sexual Abuse**  
*Psalm 54; Romans 8:31, 35, 37-39*

Given the sensitivity of the subject matter from this weekend, it might be best to structure your group time around the following:

Read the Scripture

What strikes you or stands out to you? What do you find encouraging?

Discuss in General

What was your overall take away from the sermon? What was something new you learned? How do you understand the gospel better, or how were you moved to worship God, as a result of the sermon?

Pray

As a group, pray for those in the church who have been abused. Pray that God would protect others, especially children, from any future abuse. Pray for the pastors and counselors of the church as they talk with abuse victims. Pray that Seven Rivers would be a safe place for those who are weak and wounded. Pray that God would use you to bring hope and healing to the people in your life.
