# symply™

Simple, Powerful, Free Employee Onboarding

With Symply's free onboarding tool, hiring and employee management is a breeze. New employees can be onboarded in minutes, and our employee self-service means that your team members can access the information they need directly.

Onboard new hires in minutes

Say goodbye to paper forms

Import data to your payroll system

Get Started for Free in a Few Easy Steps

1 Go to app.symply.io and sign up to create your free account

2 Fill out a few basic details about your business

3 Add your new employee and invite them to complete their information, I-9, W-4, and other documents— all within Symply

4 Receive a notification when your employee's documents are complete and ready to review

5 Import information to your payroll system (or upgrade to run payroll with Symply!)
