PLANNING FOR THE CONSTRUCTION OF A NEW SKYSCRAPER IS UNDERWAY.

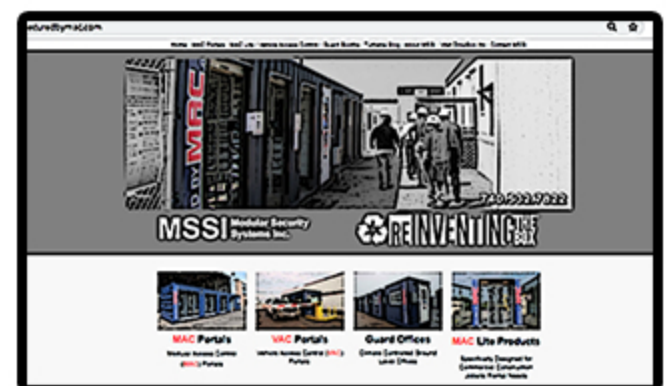

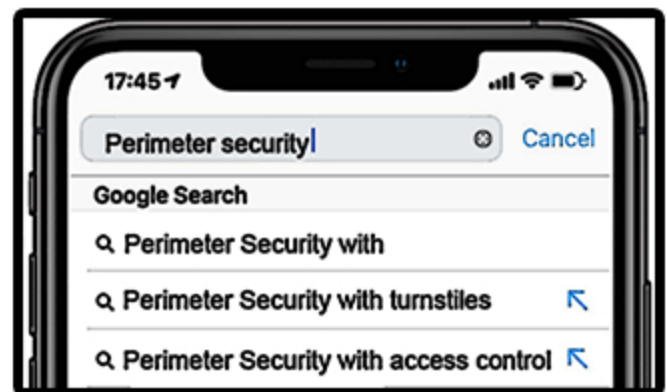

MONTHS OF PLANNING AND PREPARATION TAKE PLACE LONG BEFORE ANY CONSTRUCTION BEGINS. BEHIND THE SCENES ARCHITECTS, ENGINEERS, AND CONSTRUCTION MANAGERS DEVELOP A PLAN TO COVER ALL FACETS OF THE PROJECT.

Perimeter Security MAC Portals
Turnstiles & Access Control Technology

Turnstiles like those in our patented
Modular Access Control (MAC) Portal
have been used for a wide range of
purposes for decades. Many perimeter
security installations on construction
sites use turnstiles and are often built
into permanent structures. Requiring
expensive construction, long timelines,
