AssetMark Recognized as 2018 Bay Area Healthiest Employer Finalist

Concord, CA – September 07, 2018 – AssetMark, Inc., a leading provider of innovative investment and consulting solutions, today announced that the firm is a finalist for the 2018 Bay Area Healthiest Employers Awards. AssetMark placed in the top five of companies within the 500-1,499 employee category based on the firm’s commitment to promoting employee health and well-being.

The robustness of nominees’ wellness programs was measured against six core criteria: Leadership Commitment, Strategic Planning, Communication and Marketing, Foundational Components, Programming and Interventions, and Reporting and Analytics. Based on the nominees’ answers, each firm received a corresponding score benchmarking the overall success of their workplace wellness programs.

“AssetMark strives to provide a healthy, happy, and harmonious workplace culture that emphasizes employee well-being,” said Gary Zyla, Executive Vice President and Chief Financial Officer at AssetMark. “It’s truly an honor to be named a top finalist among other local companies that similarly demonstrate a commitment to cultivating healthy workplaces.”

The 2018 Bay Area Healthiest Employers Awards concluded with a celebratory event held on September 6, 2018 at Terra Gallery in San Francisco. The event included a panel discussion on creating cultures of wellness and provided Human Resources leaders opportunities to exchange best practices for enhancing mental, physical, and emotional well-being in the workplace.
