

Emergency Heating Checklist

BEFORE YOU CALL AIRPAC FIND OUT:

- ☐ What type of space and what are you heating?
- ☐ Size of space to be heated?
- ☐ Size of the heating system that failed?
- ☐ Determine BTU required for emergency heating.
- ☐ What power is available? 115, 208/1, 208/3, 460/3?
- ☐ How much space is available for heaters?
- ☐ When are heaters needed?
- ☐ How long are heaters needed?
