

2022 NC Annual STI Update

March 23, 2022

8 am–3:30 pm

7:30 am Webinar Check-in

Live Webinar via Webex

Program Overview

The 2022 Update will provide up-to-date information on prevention, management and treatment of sexually transmitted infections (STIs). The format of this activity will include interactive responses and case studies of common disease states that may complicate treatment, explore emerging infections, the future of testing technique implementation, and STI prevention strategies.

Register online at nwahec.org/66677

Topics

- The Syndemic of Substance Abuse and STIs
- Getting Towards Zero...Updates on HIV Prevention Strategies
- Updated Approaches to Vaginitis and Vaginosis
- The A,B,Cs of Hepatitis
- Practical Approaches to STI Testing, Management, and Prevention in Public Health Settings
- Combating Stress and Compassion Fatigue

Objectives

Upon completion of this program, participants should be better able to:

- Review updated information on the prevention, management and treatment of STIs.
- Describe common disease states that may complicate treatment.
- Discuss emerging infections and the future of testing technique implementation.

* Please continue to check back for updates and timed agenda.

Who Should Participate

This knowledge-based activity is targeted to physicians, advanced practice providers, pharmacists, nurses, public health workers and other health care providers.

As part of our commitment to diversity and inclusion, the Northwest AHEC provides compassionate education and respectful care for all, regardless of socioeconomic status, race, ethnicity, language, nationality, sex, gender identity, sexual orientation, religion, geography, disability and age.

Jointly provided by:

NC Department of Health and Human Services – Division of Public Health's Epidemiology Section and Communicable Disease Branch, University of Alabama at Birmingham – Division of Infectious Diseases, Southeast STD/HIV Prevention Training Center, NC HIV Training and Education Center, Wake Forest School of Medicine – Department of Infectious Diseases and Northwest Area Health Education Center (AHEC), a program of Wake Forest School of Medicine and part of the NC AHEC System.

Physicians should claim only the credit commensurate with the extent of their participation in the activity UAB is an equal opportunity / affirmative action institution.
- 5.5 contact hours of continuing pharmacy education credit. **Credit pending.** 

Credit will be awarded based on participant selection at time of registration. Before selecting credits, please review our general [Credit Glossary](#), but note not all programs offer all credits.

*The expectation is you will attend the entire activity. In order to receive credit, you must attend at least 90% of the activity. Group viewing is not a supported feature through Webex. For attendance to be verified, each person must join the webinar from their own device.

Registration

REQUIRED: TWO REGISTRATIONS!

1. Register through Northwest AHEC at www.nwahec.org/66677.
2. After you've completed Northwest AHEC's registration, you will receive a pop-up with additional registration steps. Click the green "Take Me There Now" button to go directly to the NNPTC website to complete the 2nd registration.

***Note: Use the SAME name and contact information for BOTH registrations!**

We recognize that much of this information is redundant. However, both registrations are required by our funder, the Centers for Disease Control and Prevention, in order to offer this as a free activity for participants.

If you have questions regarding the CDC/NNPTC registration and/or Health Professional Application for Training, please contact Aiesha Gentry at aieshagentry@uabmc.edu.

Registration will close at 3 PM EST on March 22.

For More Information or Assistance

For questions and special needs: We want to assure that all participants can benefit from our program. If you need auxiliary aids or special services to attend this program, please call Gail Pawlik at least five working days prior to the program at 336-713-7761.

Registering for and attending this program authorizes Northwest AHEC/Wake Forest School of Medicine to take pictures to be used for the Center's publications, website (including social media sites) and presentations.

Note—By registering for this activity, your name and email address may be shared with the joint-providers of this continuing education activity.

If you have questions about the event, need to cancel your registration, send a substitute in your place and/or have not received your NWAHEC registration confirmation by March 21, 2022, please contact Gail Pawlik at gpawlik@wakehealth.edu or 336-713-7761.
