To Whom It May Concern:

In response to your request for a material safety data sheet (MSDS) for one or more of our products, please note that all TIDI Products, LLC products manufactured or distributed are considered “Articles” and therefore do not require MSDS under OSHA standard 29CFR section 1912.1200.

An “Article” means a manufactured item other than a fluid or particle which is formed to a specific shape or design during manufacture which has end use functions dependent in whole or in part upon its shape or design during use.

Sincerely,

Dion Brandt  
Quality Manager  
TIDI Products, LLC
