Survey

Please grade the job you think the Phoenix Police Department does, in general.	3
The following is a list of people and organizations. Please indicate whether you have a favorable or unfavorable opinion of each. Phoenix Police Department	4
Which of the following comes closest to your opinion on the relationship between the City of Phoenix and police?	5
Have you personally had any interaction with a City of Phoenix police officer in the past 12 months?	6
Regardless of the reason why you interaction with the police officer, how would you rate your experience with the officer?	7
Which of the following describes the officer(s) that you interacted with? Select all that apply.	8
Phoenix is currently the fifth largest city in the United States. In your opinion, how does the Phoenix Police Department compare to other police departments of large cities?	9
Please indicate whether you think that the Phoenix Police Department does a better job, as good of a job, or a worse job on the following issues than police departments of other large cities. Preventing Looting and Rioting	10
Please indicate whether you think that the Phoenix Police Department does a better job, as good of a job, or a worse job on the following issues than police departments of other large cities. Preventing Violent Crime	11
Please indicate whether you think that the Phoenix Police Department does a better job, as good of a job, or a worse job on the following issues than police departments of other large cities. Shortening Response Times	12
Which of the following is closer to your opinion on the size of the police department?	13
Take a moment to look at this chart comparing the size of the population of the City of Phoenix to the size of the Phoenix Police Department over the past 10 years. The red line represents the population of the City of Phoenix at any given year; the blue line represents the number of police officers in the Phoenix Police Department that year. Knowing what you know now, which of the following is closer to your opinion on the size of the Phoenix Police Department?	14
Take a moment to look at this chart comparing the size of the Phoenix Police Department to police departments of comparably large cities. The height of the blue bar represents the size of the city; the white number on the blue bar represents the number of police officers in that city's police department. Knowing what you know now, which of the following is closer to your opinion on the size of the Phoenix Police Department?	15

Please grade the job you think the Phoenix Police Department does, in general.

Take a moment to look at this chart comparing the size of the population of the City of Phoenix to the size of the Phoenix Police Department over the past 10 years. The red line represents the population of the City of Phoenix at any given year; the blue line represents the number of police officers in the Phoenix Police Department that year. Knowing what you know now, which of the following is closer to your opinion on the size of the Phoenix Police Department?

	Total	Gender		Region			Age_Combined		Party			Ethnicity_Combined		
	Total	Female	Male	Reg1 (CCDs 1,2,3)	Reg2 (CCDs 4,5,7)	Reg3 (CCDs 6,8)	18-54	55+	Republi can	Democr at	Indepen dent	White	Hispani c/Latin o	Other
