Management of Portfolios Certification

Overview

Management of Portfolios (MoP®) is a fully accredited course in Portfolio Management suitable for organisations of all sizes and levels of complexity in both the public and private sector. MoP enables a balance approach to portfolios as organisational investments change, enabling strategic objectives to be achieved.

Course Outcomes

Upon course completion, participants will be able to:

- Introduce and explain the differences between Portfolio Management, Programme and Project Management
- Outline the benefits of applying Portfolio Management
- Introduce and explain the principles upon which successful Portfolio Management is based
- Explore the different approaches to implement portfolio composition and delivery
- Allow participants to understand the definition and delivery cycles of Portfolio Management
- Outline the major supporting documentation
- Outline the key Portfolio Management roles
- Allow participants to gain MoP® accreditation
