PRINCE2® 2017 Certification

Overview

PRINCE2® is a process-based approach for project management that provides an easily-tailored and scalable method for the management of all types of projects. The method is a de-facto standard for project management, which is practised in over 42 countries.

Course Outcomes

The PRINCE2® Foundation and Practitioner Course is a fully accredited project management methodology intended for all sizes and complexity of projects; from small to large and in private and public sectors.

This course will:

- Explain the purpose, scope and value of the PRINCE2® Project Management Methodology
- Introduce and explain in detail the method's processes, themes and principles
- Provide detailed knowledge to enable a Project Manager/Team Leader to confidently apply the methods to a project
- Allow participants to gain project management accreditation

Related courses

- PRINCE2 Agile®
- CAPM®
- PMP®

Duration

- 4 days

(3 days Foundation + 1 day Practitioner)
