

INDUSTRYLUX HT

220

KENNZEICHNUNG	
Nicht austauschbare Lichtquelle	Austauschbares Betriebsgerät durch qualifizierte Person
An icon showing a sun-like LED symbol with radiating lines, crossed out by a diagonal line, next to a square icon containing the letters "LED".	An icon showing a rectangular LED module with a double-headed arrow pointing to another similar module. Above the arrow is a circular icon with a crossed-out lightbulb and a person with a wrench, indicating a qualified person is required for replacement. A "230V" label is also present.
