

Sentiment ML™

Understand how your customers feel about your products

With Pluto7 comes truly unique capabilities for helping businesses leverage machine learning, artificial intelligence, and analytics on Google Cloud. Our **Sentiment ML™** solution leverages AI to quickly analyze your customers' reviews, ratings, and comments posted across your online channels. It empowers companies to create unique customer experiences and build products that customers love.

Why Pluto7?

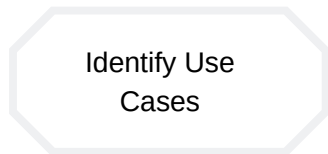

ML Use Cases

- **Increase Customer Satisfaction** - inspects your customer feedback and identifies the prevailing subjective opinion
- **Reimagine your Customer Experience** - help brands deliver real value and create unique customers experiences
- **Built for all** - this solution can be leveraged by different teams, including product, marketing, and customer success teams
