

IMPROVE THE CLINICAL TRIAL PATIENT EXPERIENCE: HOW CLINCIERGE CAN HELP

Our dedicated team and customized services make it easy for patients to participate in clinical trials.

COVID-19 Specialized Services

Keep your patients safe and your study on-track during COVID-19.

Sanitized vehicles, chartered flights, transporting site staff to the patient, device/sample/IP shipping, and more. We can customize a solution for your site's trials.

Local Patient Support

Reduce missed appointments for local patients.

Professional car service and fast expense reimbursement make appointments easy for patients.

Compliance You Can Count On

Clinclerge is compliant with local regulations, GDPR, and HIPAA.

Services Tailored to Patient Needs

Support for patients with a range of medical needs.

We offer services to address any needs, including medical equipment rental, wheelchair accessible vehicles, medication transport and ADA compliant accommodations.

Reduce Administrative Site Tasks

Clinclerge lets you focus on the patients.

Logistics management, patient reimbursement, de-identified reporting, travel documentation, and translation services are all handled by your dedicated Clinclerge Coordinator.

Recruitment & Retention

Personalized travel support and expense management.

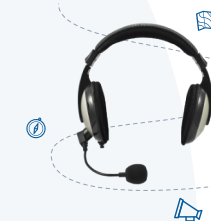

We handle and prepay for all of the travel logistics for the patient including long-distance/local transportation and reimbursements, so site staff can focus on the patient.

Personal, Local Support

Our Coordinators understand your local area.

Dedicated coordinators speak your (and your patient's) language, live in your area, and proactively mitigate regional issues that might impact the patient's travel.

Minimal Out-of-Pocket Costs For Patients

Our pre-paid travel arrangements make it easy for patients.

Clinclerge arranges and prepays for all travel, and handles all necessary patient payments.

Expert Global Support

Clinclerge supports hundreds of studies in 40+ countries worldwide.

We have over 25 years' experience supporting global travel, and we are the leader in patient convenience services.
