Congratulations Top 100 Agencies

This year marks the 17th annual publication of Insurance Journal's Top 100 Independent Agencies special report.

This year's Top 100 welcomes 11 newcomers to the list: Holmes Murphy; Acentria Insurance; Patriot

Growth Insurance Services LLC; ALKEME; Oakbridge Insurance Agency LLC; Insureon; OneGroup; Inszone Insurance Services LLC; Commercial Insurance Associates; Ross & Yerger Insurance Inc.; and NavSav.

While the list added new agencies, there were 10 agencies that fell off the Top 100 ranking due to merger and acquisition activity, including: PayneWest Insurance Inc.; Rose & Kiernan Inc.; Bolton & Company; Insgroup Inc.; People's United Insurance Agency Inc.; AHT Insurance; RogersGray; Murray Insurance Associates Inc.; Lipscomb & Pitts Insurance LLC; and LP Insurance.

And what about the Future Top 100? While the following agencies didn't make the cut in 2021, their total property/casualty revenue came very close.

Special mention goes out to the following agencies:

- Wallace Welch & Willingham
- Dean & Draper Insurance Agency LP
- Morris & Garritano
- PSA Insurance & Financial Partners
- Mackoul Risk Solutions LLC
- BKCW Insurance
- Gaspar Insurance Services
- Socher Insurance Agency
- RightSure
- Robert Wilkens Insurance Agency

All information in this report is gathered from voluntary online submissions and best estimates based on other public information sources.

We thank the many agencies that have contributed and invite others that have never submitted information for the report to consider it next year. Be proud of what you have accomplished.

For questions, comments or criticisms, write to us at Insurance Journal. And congratulations to this year's top agencies!

Insurance Journal's Top 100 report would not be possible without the willing participation of all of the agencies, brokerages and agency groups that have shared their information over the years.

Special Report: Top 100 Agencies

About This Report:

Welcome to the 17th annual Insurance Journal Top 100 Independent P/C Agencies report.

The Top 100 list is ranked by total property/casualty agency revenue for 2020 and comprises only those agencies whose business is primarily retail, not wholesale.

Also included is a list of the nation's Top 20 Bank Holding Companies and Top 20 Banks in Insurance courtesy of the Michael White's Bank Insurance Fee Income Report - 2021 Edition (see page 37).

Insurance Journal wishes to thank all of the agencies and brokerages that were willing to share their information and cooperated in the process for the Top 100 report. The result is a glimpse at some of the nation's most successful independent

insurance agencies and brokerages.

All information in this report has been garnered from voluntary online submissions from agencies and brokerages and best estimates based on other public information sources. There may be agencies eligible for listing but for which no information was received or located.

We encourage all qualifying agencies to submit data for future reports. The more submissions Insurance Journal receives, the more accurate and comprehensive this listing can be. Also, submitted data was not independently verified.

A special thank you to the 2021 Top 100 P/C Agencies report sponsor SmartChoice, an independent agency network of 8,700
