Online safety conversation starters.

Linewize

01 What access does your family have to the internet and devices at home?

02 How are devices shared within the family?

03 Where are the devices used? Are they in bedrooms or in shared living spaces?

04 How would you describe your understanding of how your child uses the internet and devices?

05 How long does your child spend online or on devices each day?

06 How do you ensure your child is accessing appropriate content when they're online?

07 What apps does your child like to use and how much do you know about them? Would you know where to go to get more information about them?

08 How often do you have conversations with your child about what they like to do online, how long they spend online, and how to keep themselves safe?

09 What advice do you give your child if something happens online that makes them feel uncomfortable?

10 Which of the following would you like more information about?

- ☐ How to keep your children safe online
- ☐ Strategies for dealing with online challenges or online issues
- ☐ Information about popular apps and games
- ☐ Information about how the school is ensuring student safety online during school time
- ☐ The Harmful Digital Communications Act and its impacts on NZers use of the online space
- ☐ Where to access general online safety information
- ☐ Agencies who can help when harm occurs online
- ☐ Other _____

_____
