- Larger long sills
- Extra crossmembers
- Steel, aluminum, or poly board rack (see specs.)
- solid bulkhead (see bulkhead specs.)
- Steel overlay for wood platform

MANUFACTURED FROM 100% RECYCLED POLYETHYLENE

1" x 5½" Solid Core, Poly Board Slats are manufactured from 100% recycled polyethylene with a "wood grain" look. Slats will not rust or rot and never need painting. Standard color is solid black. Poly board slats are resistant to chemicals, water and salt.

Removable back and side rack sections. Side rack sections are equipped with spring operated lockdowns.

Rugged, steel hardware, easily operated for quick removal. Steel, aluminum, or poly board racks available.

STAKE RACKS • STANDARD SPECIFICATIONS

- 30" Heights on 9' and shorter platforms
- 42" Heights on 9½' and longer platforms
- Steel, aluminum, or poly board
- Steel painted standard red or black
- Poly racks – black wood grain
- Stake spacing – 24" on center
- Tail gate sections are removable
- Rack tie down and connecting hardware – zinc coated

42" bulkheads with mesh windows are optional for both Fleet and Standard platforms. Fleet uses stake pockets; Standard welds to platform frame.

BULKHEAD • STANDARD SPECIFICATIONS – LIGHT DUTY

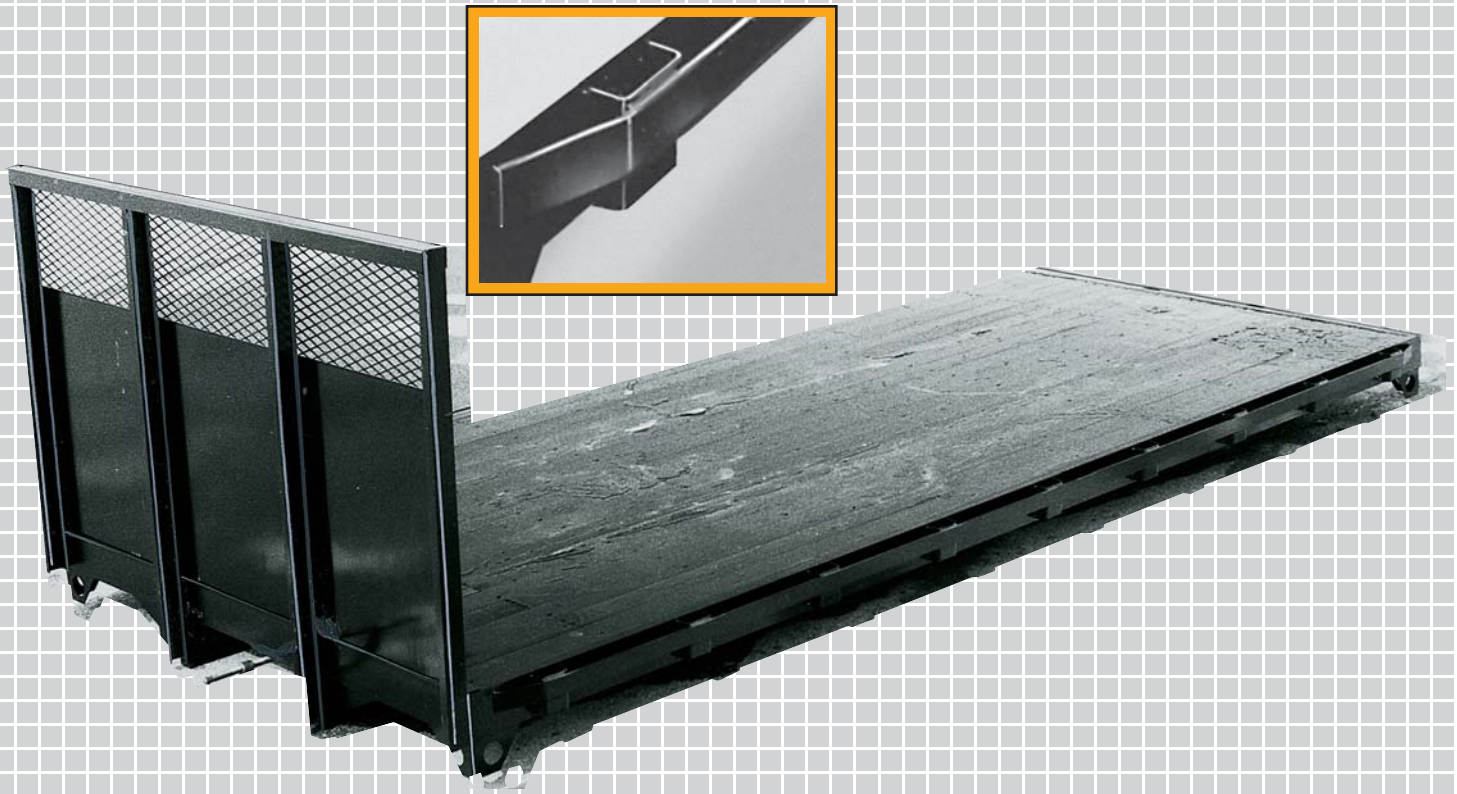

- 12 ga. Steel
- Mounts in platform stake pockets
- 42" Height
- 96", 94", or 88" Widths
- Full mesh windows
- Painted gloss black

BULKHEAD • STANDARD SPECIFICATIONS – HEAVY DUTY

- 10 ga. Steel
- 4 ea. 3" Channel supports (center two extended to weld to platform long sills)
- 42", 50", or 60" Heights
- 102", 96", or 88" Widths
- Painted gloss black

STRUCTURAL HEAVY DUTY BODIES

SPECIFICATIONS

- Long sills: 12'6" – 6" channel; 14'6", 16'6", and 18'6" – 7" channel; 20'6", 22'6", and 24'6" – 8" channel
- Crossmembers: 4" structural channel on 12" centers; gussets (Fore/Aft) on every crossmember
- Outer rail: 6" structural channel
- Stake pockets: on 24" centers
- Outside banding rails: on sides and rear of platform, 3/8" x 2 1/2"
- Bulkheads: four – 3" structural stakes; 10 ga. panels; 16 1/2" x 92" expanded steel window, 42", 50", and 60" heights
- Lighting: eight drop corner lights, rubber mounted sealed beam; three light cluster bracket at rear
- Color: black
