PROMATCH®

The Promatch® Parts Program

Rugged

Keep your forklifts running strong with Promatch® parts. Promatch parts are manufactured by some of the best component and original part manufacturers, for example, Baldwin Filters, Cascade Kenhar®, Curtis®, General Electric®, Goodyear®, IMPCO Technologies Inc., and Parker Hannifin Corporation.

Promatch parts are carefully selected and routinely sampled and inspected. This attention to detail is backed by an extensive six-month, unlimited hour warranty.

Reputable

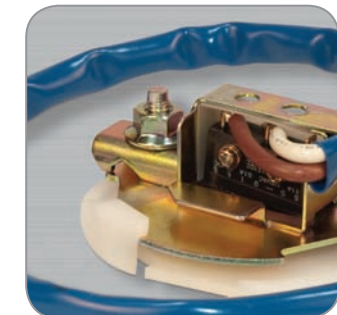

How does forklift performance affect your productivity? Our trained service technicians, diverse parts inventory, and variety of service options can help reduce your total cost of ownership. We offer everything from the parts you need to service your own forklifts to comprehensive maintenance programs.

In addition to Promatch parts, we provide our customers with planned maintenance programs, fleet management services, new and used equipment, and rental programs.

PROMATCH®

Accessible

The Promatch parts program offers a broad range of parts for all makes and models of forklifts. The ability to single source your parts and service needs allows you to spend less time on your forklift fleet and more time on your business.

“We are committed to providing industry-leading customer service. **Your needs come first, with the most comprehensive customer support.**”
