

# WHZ SERIES CANTILEVER

## LIGHT DUTY

1,300 lb. Capacity

**Platform Travels in Folded Position Allowing Access to Van Door During Quick Stops**

### STANDARD WHZ SERIES ADVANTAGES INCLUDE:

- 63" x 55" Aluminum Hinged Platform Design
  - Platform opens for off-loading substantial loads
  - While closed, the platform provides accessibility to rear door when lift is not required
    - Quick, smaller deliveries
    - Tight spaces
- Fast operating speeds increase productivity
- Double acting, adjustable tilt cylinders allows the lift to maintain speed regardless of outside conditions, such as harsh weather or weight of load
- Dedicated mounting brackets = Fast and Easy Installation
- Simplified maintenance:
  - Grease free bushings
  - Grease free bearings
  - Stainless steel bolts
  - Stainless steel axle
- Lightweight platform for less wear on vehicle
- Cart Stops for added safety
- Footstep assists in vehicle entry while lift is closed
- License Plate Light increases safety and driver awareness
- Fixed interior liftgate controls and hand held remote are standard

WHZ hinged platform in a closed position to allow access to rear door.

Cart Stops provide an additional safety precaution. This feature will prove to be useful in protecting your cargo from sliding off the platform.

Designed Simplicity - Maximum Performance
