The Smarter Choice

Designed with the professional installer in mind, Quality-Built Brake Boosters are engineered and tested to deliver maximum braking assist with minimal pedal effort.

Complete

Quality-Built Brake Boosters are installation ready with everything included in the box for a complete repair, full system restoration and safe vehicle operation.

Perfection

Direct OE fit and function, supported by 100% end-of-line testing, for worry-free performance and full restoration of stopping power.

Experience

Backed by over 50 years of engineering know-how, Quality-Built Brake Boosters feature design upgrades that improve function and durability.

Support

MPA's ASE-certified Part Smart™ technicians are ready to help get you back on the road with answers for any product, installation, or diagnostic questions.

QUALITY-BUILT™

BRAKE BOOSTER

REFUERZO DE FRENO

SERVOFREIN

powered by:

Quality-Built Brake Boosters provide reliable pressure transfer and confident braking power. All units are subjected to 100% end-of-line tested for worry-free performance right out of the box.

1. Reliability

OE quality components and 100% check valve replacement for optimal pressure transfer, and safe operation.

2. Confidence

Manufactured and tested to meet or exceed OE performance specifications for durability.

3. Corrosion Resistance

Advanced rust preventatives provide superior protection from the elements and long service life.

4. Hardware Included

New OE specification mounting nuts and washers ensure a complete fix every time.

5. Perfect Fit

Preset master cylinder push rods are easy to install and restores original pedal feel.

6. Good-to-Go

All threaded ports are chased to prevent cross-threading during installation.

7. Verified Performance

All booster units are 100% pressure tested, ensuring leak-free performance.

8. Re-charged

100% re-pressurized nitrogen chambers provide improved stopping in panic or emergency situations.

Quality-Built Brake Boosters add value and peace of mind for your customers with complimentary roadside assistance included with every Booster.
