

ESSENTIAL

PRINCIPLES OF

FINANCE

Speak with confidence the language of finance as it applies to balance sheets, income statements, and cash flow statements. Develop better budgets and projections by applying knowledge of financial statements. Use financial ratios to analyze trends and to proactively predict financial problems. Evaluate an annual report and make informed decisions.

Our interactive classes are led by an expert facilitator. After attending, participants will receive a completion award.

Location: Live interactive classes via Zoom

When: Eight hours of course content

Investment: \$249/participant
