

Moving freight without friction.

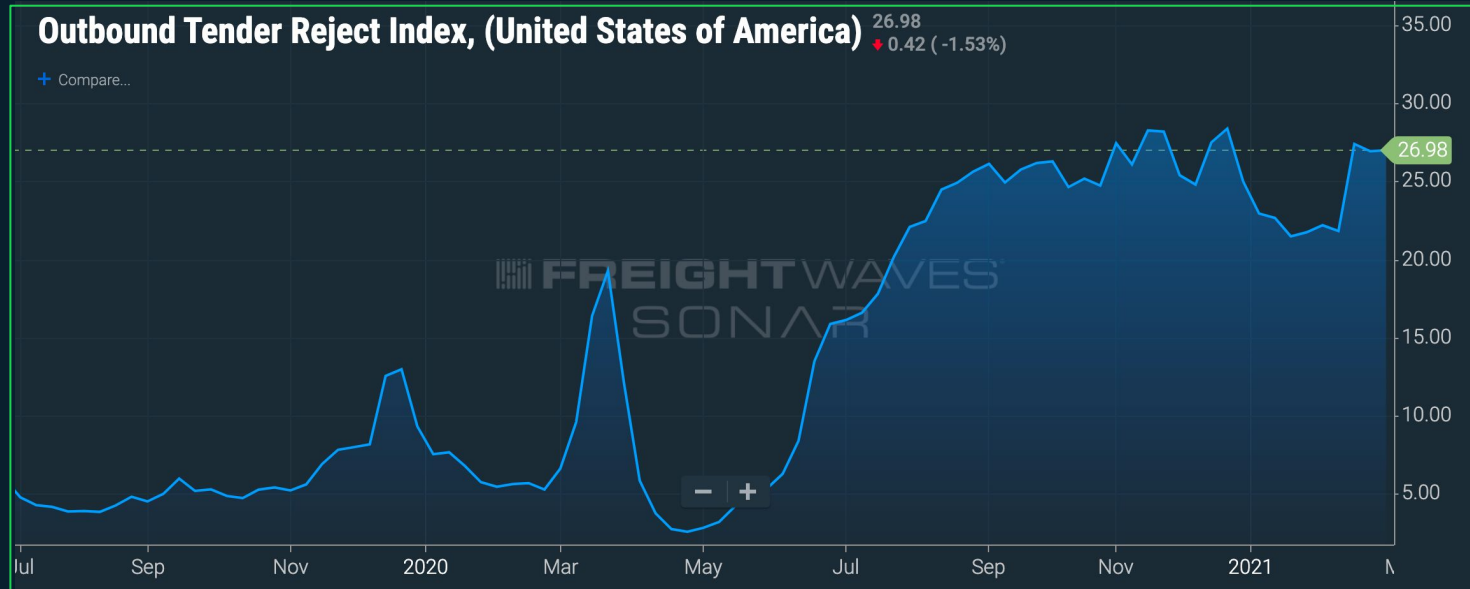

The industry's first carrier focused
freight matching marketplace
connected directly to ELD's.

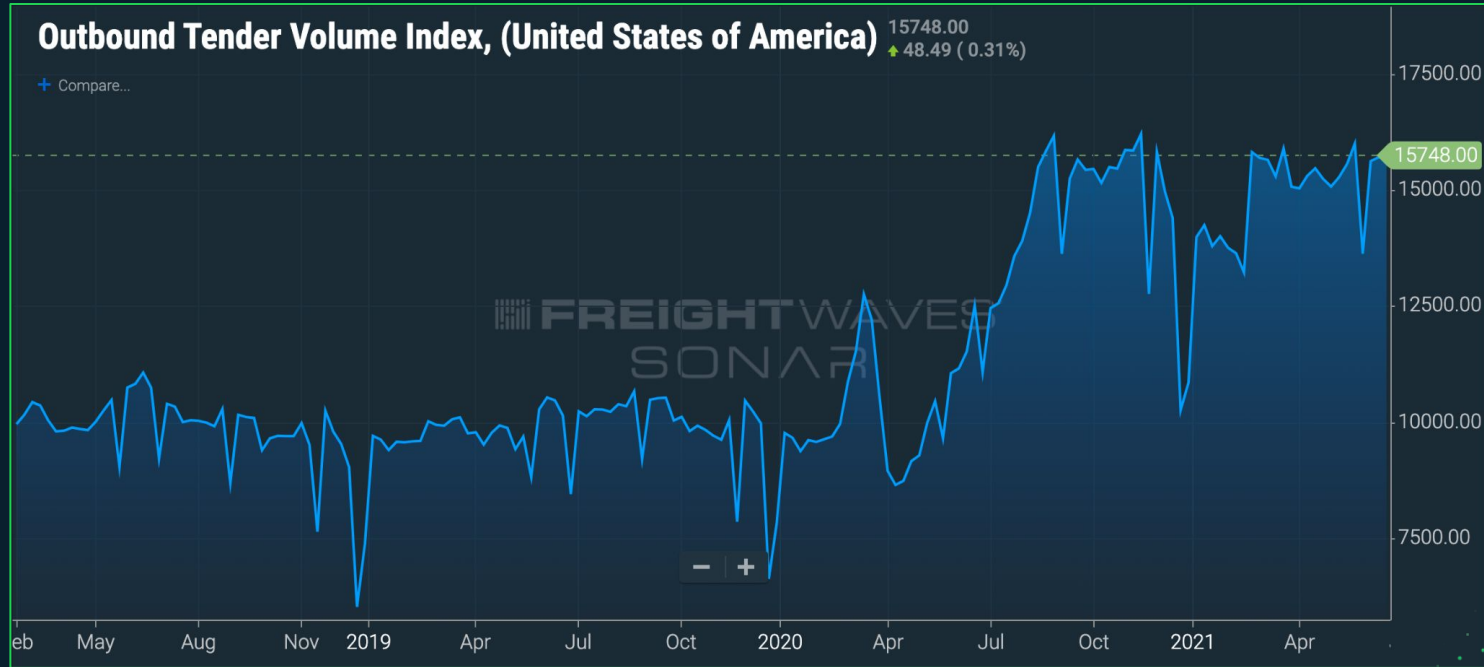

**FLEETOPS IS THE FASTEST GROWING NETWORK OF SPOT
MARKET CAPACITY.**

**IT'S NOT AN APP, OR SINGULAR SERVICE, IT'S A NETWORK OF
ELD-EMBEDDED LOAD BOARDS THAT LEVERAGES HOURS OF
SERVICE DATA, AND ENGINE DATA, TO CREATE UNIQUE
MARKET INSIGHTS AND ACCURATE RECOMMENDATIONS.**

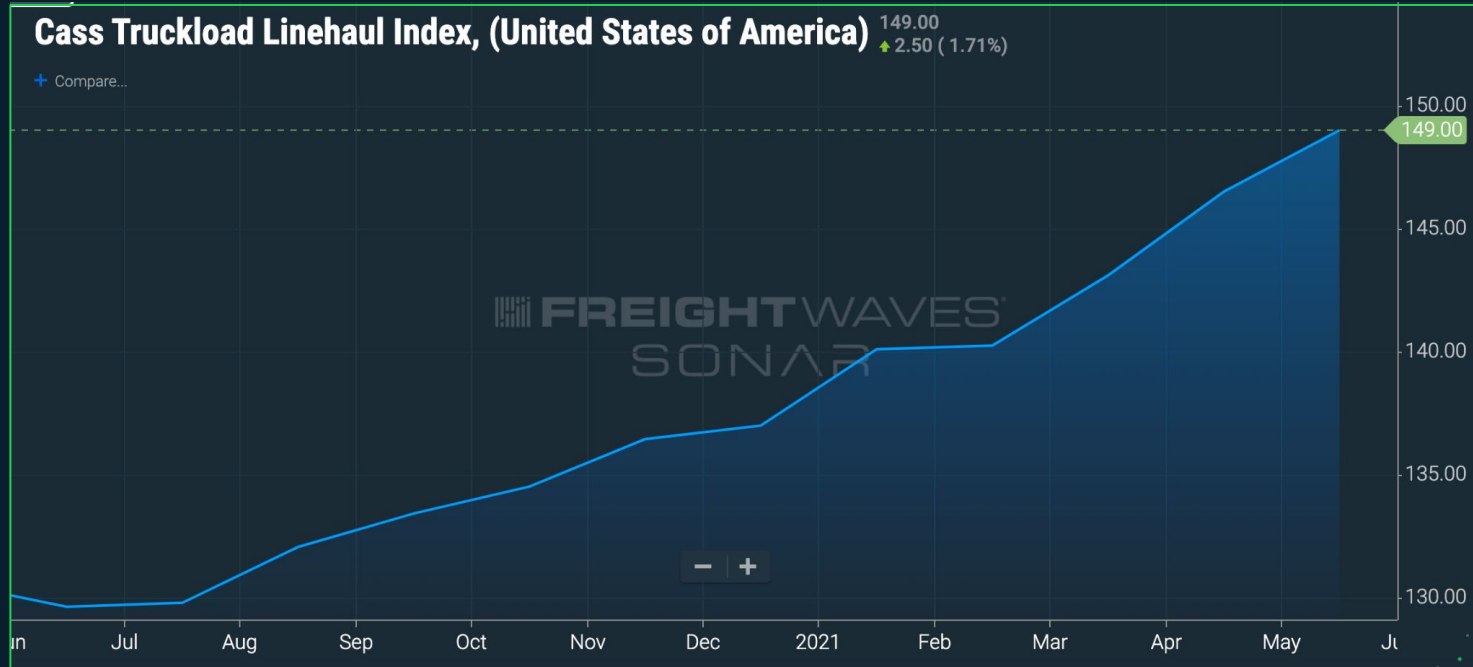

TENDER REJECTIONS ARE AT A NEW HIGH, AND AREN'T FALLING.

DEMAND HAS REACHED A NEW HIGH

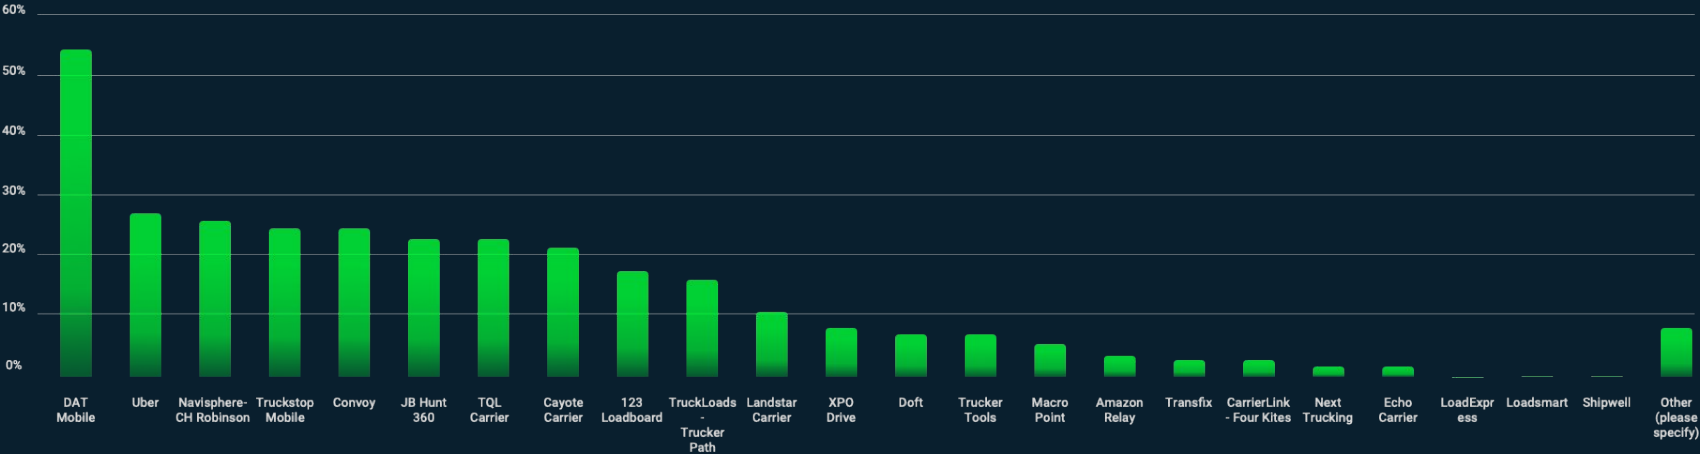

AND COSTS KEEP RISING

THE CAPACITY CHASE IS CREATING MASS FRAGMENTATION

DIGITIZE PROCESSES OR AUTOMATE THEM ALTOGETHER

- Track every load: We update you on picks, drops, dwells, ETAs and delays.
- Secure reliable coverage unavailable anywhere else: Your loads don't wait for reactive capacity. We're able to push your shipments to drivers before they need to execute a search.
- Automate Onboarding: We pre-check the carrier for you. Tell us your requirements, and we'll build them into our booking experience.
- Automate your freight booking, end-to-end: An end to negotiations, clunky onboarding, and driver check calls
