Learn How to Increase Your Takeout Revenue

Free contactless on-premise takeout ordering & payment platform specifically designed for Quick Service Restaurants and Food Trucks

- Eliminate frustrating queues
- Increase order volume with less staff
- Increase average cheque size with suggested add-ons
- Build a marketing list while doing it!

Built with you in mind:

We collaborated with our multi-location and independently owned Quick Service Restaurant and Food Truck partners to equip them with a mobile ordering & payment platform for their needs! **No more commission fees, expensive hardware or monthly service fees.** Pay Upfront by OrderUp allows your business to service your guests efficiently and safely through QR enabled digital menus, and an entirely paperless (optional) order management system. **Now a single staff member can manage orders and run your line with ease!**

How it works?

Step 1: Scan the QR Code

Step 2: Select Items and Place Order

Step 3: Click the "Pay" tab to complete payment

Step 4: Note when your order will be ready, pickup and enjoy!
