Please give your password change request email a few minutes to come through. If you still haven't received the email and have checked your spam folder, get in touch with your Administrator or your Safetrust Support Rep.

Once you have received the email, click on the green Reset Password link.

Enter a new password, ensuring you follow the password policy requirements outlined below the fields. Confirm your password and hit the 'Save' button to complete! You will now receive a confirmation email of your password change and you can log back in to Credential Manager with your new password effective immediately.
