

**MINI AEGG**  
**PLASTIC POTS & BOWLS**

# INTRODUCTION

Thank you for your interest in our miniAegg range of plastic pots. These products will appeal to customers with smaller sales volumes, storage limitations or for those wishing to conduct market or production trials.

---

Aegg Creative Packaging is a specialist plastic packaging and glassware company, supplying pots and bowls into global food and drink markets. We offer bespoke design and manufacturing services, as well as off-the-shelf table presentable items suitable for restaurants, casual dining, hospitality, food-to-go, retail, catering, travel and many other applications.

We are currently expanding our own UK manufacturing facilities so we can protect your supply chain from any uncertainties created by Brexit. In addition, we have global production facilities and alliances so that you can benefit from the best that the world has to offer by way of specialist skills, capacity and costs.

The products that feature in this catalogue are available at short notice and in box quantities. Please enquire further if you are looking for pallet quantities or a bespoke design.

*'If you are looking for something really special to make your food stand out from the crowd, please call us.*

*We have amassed considerable expertise whilst making bespoke pots for many UK, European and global food brands, both big and small. We would love to bring this insight to your project.'*
