## APPLICATION INSTRUCTIONS FOR THE **FOOT PRINTS BROAD JUMP**

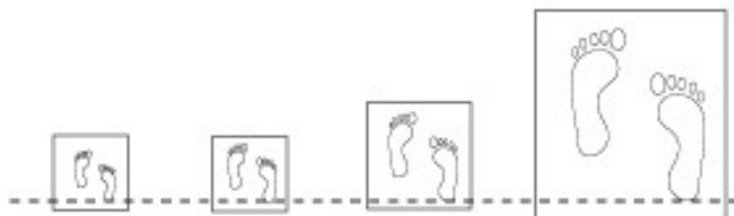

Using Product Number: 11-1P-002

**SIZE:** length of each varies from 8-27 inches each

**ESTIMATED PAINT TIME:** 1-2 people for less than 1 hour

**FIRST READ:** Completely read "General Instructions" attached to this document. Prepare surfaces as recommended before painting.

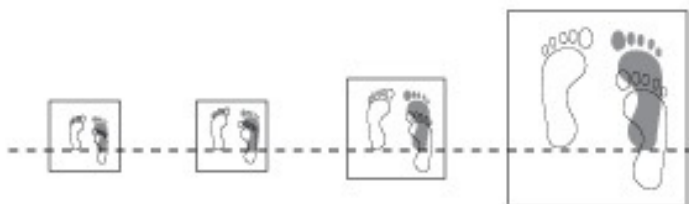

1. Make a straight line with chalk or washable marker approximately 10-15 feet wide, or other desired width. Align the right foot of each stencil above the chalked line, approximately 3 feet apart from each. Refer to diagram below.

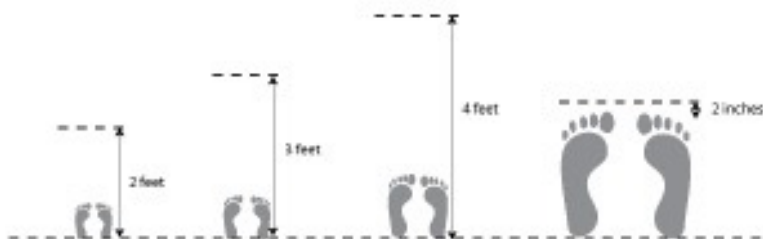

2. Using narrow brushes, paint each stencil, remove stencil and wipe stencil dry. The painted pavement should appear as below. Let pavement fully dry.

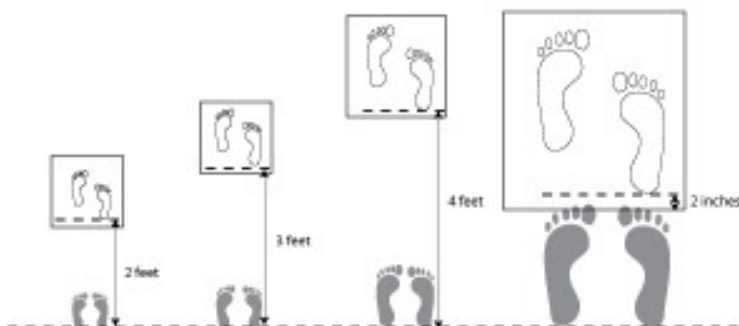

3. Align the left foot of each stencil above the chalked line and next to painted foot as shown below. Using narrow brushes paint each, wipe clean and let pavement dry.

4. Pavement should appear similar to below. When dry, chalk second set of foot prints at desired distance – recommended distances are noted below.

5. Align stencil as noted below and paint right foot, let dry and paint left foot as noted in steps 2 and 3 above.

6. Painted pavement should appear as noted below.

7. To add the extra “giant” prints, reapply stencils as noted above two more times. Completed painted pavement should appear as noted below.

8. Repaint each print 1-2 more times to achieve desired vividness and allow to dry for 24 hours before use.
