

RENTAL VALLEY & YOUR COMPANY

THIS IS WHY

✓ WE HELP YOU SELL

More and more clients want to buy a property as an investment for short term rental. Those clients like to be informed on realistic turnovers in an early stage in the buying process. Rental Valley creates professional return on investment predictions (ROI) that will assist you in selling the house.

✓ EARN EXTRA COMMISSION

For each client that stays with Rental Valley after the sales we will pay the agent 10% lead fee as long as the clients stay loyal to our company (10% on our net commission)

✓ RETURNING CLIENTS.

Clients investing for rental have the intention to re-sell quicker than traditional buyers. We will return the clients in the end of the rental cooperation to the sales agent.

✓ LEAD SHARING

Rental Valley receives many quality sales leads through its platform www.rentalvalley.com. We will share these leads with you in case the properties in your portfolio are a good match. We ask for a 10% lead commission in return when you sell the house to our lead.
