

SELF DIRECTION⁺

Engineered especially for FMS and CDS agencies, KanTime's CDS Platform simplifies and streamlines the complex consumer directed services (CDS) process and enables your agency to accurately bill and run payroll without sacrificing agency productivity and profit. From scheduling and timekeeping to billing and payroll, to reporting and communications, KanTime's end-to-end solution has you covered.

Benefits

Increase Productivity

Improve Scheduling

Third-Party Integrations

Features

- + Intake & Onboarding**
Easily manage your intake list, store client and employee documentation, as well as track client progress from referral to start of care.
- + Streamline Payroll**
Track and guarantee that every timesheet is compliant and reviewed prior to payroll, speeding up processing and approvals.
- + Billing**
Reduce billing errors and rejections while keeping a complete and accurate billing history for every invoice.
- + Budget & Authorization**
Budget workflows ensure that your clients receive thorough and accurate spending plans along with the tools they need to monitor their utilization.
- + Finance & Reporting**
Deliver comprehensive financial insights with a configurable general ledger, month-end hard close feature, and advanced accounts receivables.
