Online locations where offerings to be licensed are, or are expected to be, made available

Website(s) (list all)

iheart.com

For clarity, iHeartMedia has websites for each of its approximately 850 radio station where the iHeartRadio app can be accessed. The URL for each of these websites is generally [station name].iheart.com.

Software application(s) (list all)

iHeartRadio App, which can be accessed via various devices and access points, including but not limited to iOS and Android devices.

Other online location(s) (list all)

The offerings may be accessed via an iHeartRadio media player that may be embedded on any website (while keeping the iHeartRadio branding).

Notice of Covered Activities

Please provide a general description of the digital music provider's service(s), or expected service(s), and the manner in which it uses, or seeks to use, phonorecords of nondramatic musical works.

The iHeartRadio Plus Service is a mobile-only, "mid-tier" subscription offering, which offers subscribers (i) a streaming-only digital music service consisting of a webcasting experience and a limited on-demand playlist, bundled with (ii) a podcasting service consisting of a wide variety of content, including news, political talk, story-telling, food/nutrition information, financial advice, etc. from various sources and personalities.

The iHeartRadio All Access Service is a "premium" subscription service that provides users with access to an unlimited number of streams and conditional downloads. This service is offered as a single-user subscription, as well as a "family plan" subscription that allows multiple separate user profiles to be associated with a single primary service user account.

Please identify each of the following digital phonorecord delivery configurations the digital music provider is, or seeks to be, making as part of its covered activities:

Limited downloads
Interactive streams

Please identify each of the following service types the digital music provider offers, or seeks to offer, as part of its covered activities:

Subscriptions
Bundles
Services available through discounted pricing plans, such as for families or students

Is the DMP currently engaged in all of the covered activities identified in this Notice of License, or if not, does the DMP have a good-faith intention to do so within a reasonable period of time?

Yes

Certification

By signing below, I hereby certify that I have appropriate authority to submit this Notice of License to the MLC on behalf of the digital music provider listed herein, and that all information submitted as part of this Notice of License is true, accurate, and complete to the best of my knowledge, information, and belief, and is provided in good faith.
