Yes

Is the DMP operating under the authority of existing compulsory licenses obtained pursuant to 17 USC 115 for the period prior to January 1, 2021?

No

Notice of Covered Activities

Please provide a general description of the digital music provider's service(s), or expected service(s), and the manner in which it uses, or seeks to use, phonorecords of nondramatic musical works.

Jiosaavn is digital music service that is made available via the Website and/or via Apps (as applicable) for the personal and non-commercial use of Users and currently includes the following offerings: the Subscription Music Service and the Ad-Supported Service

The Subscription Music Service, also known as "Saavn Pro" or "JioSaavn Pro", means Licensee's on-demand digital music service which allows for unlimited Streaming and unlimited Tethered Downloads of Tracks both on and off-line via Devices, for personal and non-commercial use only.

The Ad-Supported Music Service, also known as "JioSaavn", means Licensee's free to the User ad-supported on-demand digital music service.

Please identify each of the following digital phonorecord delivery configurations the digital music provider is, or seeks to be, making as part of its covered activities:

Interactive streams
Limited downloads

Please identify each of the following service types the digital music provider offers, or seeks to offer, as part of its covered activities:

Subscriptions
Free-to-the-user services

Is the DMP currently engaged in all of the covered activities identified in this Notice of License, or if not, does the DMP have a good-faith intention to do so within a reasonable period of time?

Yes

Certification

By signing below, I hereby certify that I have appropriate authority to submit this Notice of License to the MLC on behalf of the digital music provider listed herein, and that all information submitted as part of this Notice of License is true, accurate, and complete to the best of my knowledge, information, and belief, and is provided in good faith.
