

Find the BEST Candidates with Virtual Career Fairs and Internal Hiring Events

What are Virtual Career Fairs / Internal Hiring Events?

Virtual career fairs are online events where employers can meet with people who are seeking jobs. They can use the chat rooms, participate in webcasts and many other features. With our user-friendly platform, your attendees and team can run these events from the comfort of their desk and at a fraction of the cost of travel and venue rental.

If you need to hire new employees but can't complete interviews face-to-face, virtual hiring events are for you!

Our virtual career fairs are designed to connect candidates to recruiters, hiring managers, and team members at a specific, scheduled time and date. To inform candidates, educational content can include:
