## GOVERNMENT CAPABILITIES STATEMENT

### CORE BUSINESS

Solvvet is a Service-Disabled Veteran Owned Small Business, based out of Louisiana, providing medical staffing and support services to government buyers nationwide. Our ownership has a combined 70+ years of experience working in the healthcare industry, providing our leadership with an intimate working knowledge of the products and services we offer. This proven experience from the acute care hospital executive level, through the post-acute care and home health care operating spaces is the foundation of Solvvet's true understanding of the challenges faced by all stakeholders throughout the healthcare continuum.

More than just providing product sales to our customers in need, the team at Solvvet aims to become true valued partners with all its staffing partners, as well as our government clientele, so that we can strategize on winning, long term solutions. We currently maintain a diverse repository of healthcare providers, that stand ready to satisfy government contracting needs for Small Business concerns, without sacrificing the capacity to deliver with ultimate professionalism.
